CHESTERTOWN - SEPT. 24, 1887

Things Worth Remembering.

That warm borax will remove dandruff.
That a bag of hot sand relieves neuralgia.
That salt should be eaten with nuts to aid digestion.
That milk which stands too long makes bitter butter.
That rusty flatirons should be rubbed over with beeswax and lard.
That it rests you, in sewing, to change your position frequently.
That hot, strong lemonade taken at bedtime will break up a bad cold.
That a little soda water will relieve sick headache caused by indigestion.
That tough meat is made tender by lying a few minutes in vinegar water.
That a cup of hot water drank before meals will relieve nausea and dyspepsia.
That well-ventilated bedrooms will prevent morning headaches and lassitude.
That a cup of strong coffee will remove the odor of onions from the breath.
That one in a faint should be laid flat on his back, then loosen his clothes and let him alone.
That consumptive night sweats may be arrested by sponging the body nightly in salt water.
That cold tea should be saved for your vinegar barrel. It sours easily and gives color and flavor.
That to beat the white of eggs quickly add a pinch of salt. Salt cools, and cold eggs froth rapidly.
That a fever patient can be made cool and comfortable by frequent sponging off with soda water.
That you can take out spots from wash goods by rubbing them with the yelk of an egg before washing.
That the hair may be kept from falling out after illness by a frequent application to the scalp of sage tea.
That white spots upon varnished furniture will disappear if you hold a hot plate from the stove over them.

The Growth of American Cities.

The following table shows the enormous growth of the three principal cities of the United States:

Year.	New York.	Philada.	Chicago.
1830	238,000	188,800	45
1840	398,500	261,500	4,400
1850	760,700	432,300	34,500
1860	1,352,700	569,800	122,700
1870	1,760,100	706,800	321,500
1880	2,303,700	804,900	572,600

It should be added that the inhabitants of Brooklyn, Jersey City, Hoboken, and other towns within a radius of ten miles are included in the above totals for New York, while the territory between Hyde Park and Evanston is included as part of Chicago. While during the last half century the population of Philadelphia has increased nearly fivefold, and that of New York tenfold; Chicago may be said without exaggeration to have literally come into existence, its growth being from 45 in 1830 to 572,700 in 1880.

The Gamut of Theft.

Taking $1,000,000 is called Genius.
Taking $100,000 is called Shortage.
Taking $50,000 is called Litigation.
Taking $25,000 is called Insolvency.
Taking $10,000 is called Irregularity.
Taking $5000 is called Defalcation.
Taking $1000 is called Corruption.
Taking $500 is called Embezzlement.
Taking $100 is called Dishonesty.
Taking $50 is called Stealing.
Taking $25 is called Total Depravity.
Taking one ham is called War on Society.

"The great influence of woman cannot be fully estimated," said the teacher of the young ladies' Bible class. "Every young woman should ask herself this question: 'Am I my brother's keeper.'" And then the real bad girl in the corner seat remarked, just loud enough to be heard, that a girl with any spunk would rather be the keeper of some other girl's brother.

A FARMER said: "One thing I don't like about city folk—they be either so stuck up that you can't reach 'em with a hay stack pole, or so blamed friendly that they forget to pay their board."

A WHOLE street full of people was terrorized by a "mad cat" in Passaic, New Jersey, the other day until no less a personage than the Chief of Police came to their relief.

A MAN who was bitten by a dog in New Baltimore, New York, has recovered $800 damages from the owner.

A POSTAGE stamp is like a youngster. It always sticks to business after it has been licked.

To Farmers and Dealers in Kent and Adjoining Counties.

W. A. HYLAND,

GALENA, MD.,

THE SEASON IS NOW HERE when the farmer should begin to turn "mother earth." The saving of labor of both man and beast is necessary to compete with the low price of agricultural products. To do this we would recommend first, the

Economist Chilled Plow

as the "friend of the farmer," as the points and shares can be turned three or four times, thereby saving the expense of buying new ones. Next to the above is the

OHIO CHILLED PLOW

which excels all for lightness of draft.—Persons purchasing the above not only save labor but expense of shares and points.

We keep constantly on hand all repairs for above Plows, and also for the Oliver, Advance, Syracuse, Roland, Concave, Minor & Horton and Wiley Plows at my shops at Galena and H. H. Hyland's in Chestertown.

—WE MAKE—

THE BEST ROLLER

on the market and sell at a price to suit all.

"SUPERIOR DRILLS."

FARMERS who desire to purchase DRILLS for use this fall should call and see the SUPERIOR. It is said by those who have used it to be the most positive fertilizer drill and seed sower on the market. Sample Drills may be seen at my son's in Chestertown or at my Factory in Galena. It is manufactured in Springfield, Ohio.

Farmers who want Chilled Plow Castings and the best and cheapest plows on the market will find them at my Foundry and at H. H. Hyland's in Chestertown.

After long and careful study we have found the secret of how to make a good FARM BELL which we think superior to other makes.

Groceries, Provisions, Boots and Shoes, Notions, Domestic Dry Goods, Tinware, Queensware, &c., &c.,

all of which will be sold at close figures. We have now a Ladies' Button or Lace Shoe at $1; a man's Solid (or no sole) Plow Shoe a. $1 a pair; a man's Dress Shoe at $1.25, $1.50, $2 and $2.50; and the best Glove Kid Top, kid front, worked buttonhole Shoe for Ladies and Misses at $1.75 that we ever saw—Having sold 600 pairs of them in two (2) years with-out one just complaint. We also have a Kid-top Shoe for Ladies at $1.25 a pair, but please bear in mind that when you buy a pair of $1.25 kid-top shoes of us you will not get our $1.75 shoe, as we only advertise what we can and will do and nothing more.

LIME, HAIR, WHITEWASH BRUSHES, &c. We are selling the W. J. Lime, which is said by both carpenters and masons to slack at least one-fourth more than other lime, and having made a special contract for same would like builder as well as whitewasher to call and get prices.

We also have Wm. Lea & Sons, C. A. Gambrill's, and other brands of FLOUR, which we are selling by the Pound, Bag or Barrel as cheap as it can be bought in the city for the cash, as we sell Flour by the barrel for the CASH ONLY.

We aim to keep a little of everything and by buying our goods close for cash and discounting all our bills we are enabled to meet all and any competition. Again thanking you for past favors we ask a continuance of same. Respectfully,

May 7, 1887. W. C. A. THOMPSON.
