HOW TOM SAWYER GOT HIS FENCE WHITEWASHED.

Tom Sawyer, having offended his sole guardian, Aunt Polly, by that sterner affectionate dame punished by being set to whitewash the fence in front of the garden. The world seems to be hollow mockery to Tom, who had planned for that day, and he knew that he would be the laughing-stock of all the boys as they came past and saw him set to work like a "nigger." But a great inspiration burst upon him, and he went tranquilly to work. What that inspiration was will appear from what follows.
