The War.

The latest news from Mexico contains no germ of peace, and offers no hope for a speedy reconciliation. A portion of the clergy of that deluded people, have issued a manifesto, which we have transferred to our columns, breathing denunciation an Of the Clergy of San Luis Powar in the most exciting and sanguinary and the security of their temples are de fit depository of the high and sublime place, in their hands, our fortunes and our for our breadstuffs and provisions, to save Cambria, the swiftest boat of the Cunard the same night, Mrs. Sarah Emerson, aunt strains. If the Mexicans can be made becans, the war will be likely to be a c uel cans, if it should be and barbarous and almost interminable one our holy religion
