great a joreign demand for American breadstuffs, as was caused by the recent dearth in Europe. We say, then. farmers. be not deluded by the deceptive notions of free trade. Endeavor rather to increase the home demand, so that when a foreign demand shall arise you may reap the advantages of both.

SCRUTATOR. George Town X Roads, Aug. 1848.

ARRIVAL OF THE BRITANNIA. Seven days Later from Europe.

The steamer Britannia arrived at Boston at eleven o'clock A. M. on Saturday last She sailed from Liverpool on the 12th inst., and therefore brings seven days in- GEN. telligence from England, Ireland, and the Continent.

Her intelligence, in a political and commercial point of view, is highly important. The state of affairs in Ireland has not materially changed, though every day seems to lesson the probability of any serious outbreak.

That this unfortunate country is not now plunged into all the horrors of a civil war is not to be attributed to the disinclination WM. L. GAITHER, of Montgomery co. of the people to rise in arms, but rather it JOS. S. COTTMAN, of Somerset co. would seem to be owing to the want of able and trustworthy leaders.

occurred since the sailing of the Cambria. 2nd-JAMES D. ROMAN. Numerous arrests continue to be made. 31d-ANDREW G. EGE. William Smith O'Brien was arrested at the 4th-J. MORRISON HARRIS. Railroad station at Thales, on Saturday 5th-B. CHAMBERS WICKES. evening last, whilst in the act of procuring 6th-J. C. DERRICKSON. a ticket for Limerick, where, it is said, he intended to take refuge among his friends. immediately after his arrests, he was marched to Bridewell, and subsequently was conveyed to Dublin, and lodged in Kilma-

inham Jail. After O'Brien's arrest, he is said to have expressed himself satisfied of the hopelessness of accomplishing his object, and that he was induced to leave his retreat in the mountains, because the further he went the people seemed to fear to harbor him.

allowed to have free access to him. Oth- selves able) we will furnish the "NEWS" in the jail. er friends are permitted to converse with him in the presence of the Jail authorities. to new subscribers, from now until after

serious disturbances since the Cambria of fifty cents—payable in ADVANCE sailed; and according to the English ac- it shall be our aim to make the "News" be chosen to preside over our destinies for counts it seems quite improbable there as useful as we can, and hope a great should be any so long as the government

had persuaded his captors that he was a there had been a desperate struggle beboat. He subsequently boarded a vessel but this arrival dispels all excitement, and armed with weapons which carry political bound down the Shannon, for America, in instead of the Irish having distinguished poison with them, unless counteracted by which he escaped. A war steamer has been despatched aster the vessel.

ENGLAND. has been very unsettled in the Southern conflict, and the leaders of the rebellion appointed; the lukewarm must be cheerred counties especially. Not a day has passed have been either taken prisoners or been and the doubtful made certain. We have a ted for re-election to Congress. without heavy rains. As the wheat has been out in various parts of the country, been out in various parts of the country, pursue s. The people of the United States dynasty of rulers, and place honest worth for Governor of New York. harvest operations, but must, if it continues no doubt, feel disappointed in this result; in the Presidential chair. The Whigs will a few days longer, materially affect the their feelings were with the Irish, and they not be unaided; there are thousands who yield all over the country—however, no tendency to speculate has been exhibited. If the potato crop should prove seriously In the potato crop should prove s injured both in England and Ireland, (and noble and gallant leaders in their bold and to "follow in his footsteps." The Locostatements to this effect are rapidly multi- patriotic movement, meets the indignation foco fabric, reared upon misrepresentation plying.) the consequence would be very of every American citizen.

FRANCE.

The chief consideration in Paris at the present moment is the eriucal state of Northern Italy. Numerous diplomatic meetings have taken place in Paris, and Lord Palmeston, in the English Parliament, has that purpose.

The last journals from Paris are wholly occupied with the Italian question. Funds have declined in consequence of the threate ning aspect of affairs.
