

CHESTER TOWN, MD.

Saturday, February 2, 1850.

Messrs. Baker and Smyth, of the House of Delegates, will accept our thanks for proceedings of the Legislature.

23-We publish in another column an article from "The Zion's Herald," to show our readers how our noble State is spoken of by one of the official organ's of the northern branch of the M. E. Church,—

The great bluster of the South respecting the State, and to prescribe the basis of ing disunion during several late weeks,

Resident distribution of the State, and to prescribe the basis of representation in said Convention. northern branch of the M. E. Church .- has to thoughtful men presented very lit-This fanatic breathes but the sentiments the reason for apprehension. It has been of a large majority of his "brethren," of sufficiently odious as evidence of personal the North, and we are truly sorry that the disloyalty to the country, and of the flat. Methodist of Maryland are in fellowship pressed by their high functions with that with such demagogues.

Magazine—it is gotten up in a handsome stentorian racket, little Maryland has utstyle and centains a large amount of read- tered her tremendous voice. It reminds them a portrait of the publisher, a beautiful engraving.
