

CHESTER TOWN, Md.

AAAAAAAAAAAAAA

SATURDAY, MARCH, 5, 1853.

THANKS .- Hon. J. A. Pearce wil lic document.

Office Seeking.

home, has been besieged, for months retires from his post, meriting the ap- fence, and to be recovered in the same Banks. The policy of the people will past, by crowds of expectants, who some proval of all upright and patriotic A- manner." daily & nightly undertaken by anxious and devout politicians, while the chance expressions of the President elect, or of gentlemen, it is said, will compose the statutes is observed, this view gains those supposed to be in his confidence, Cabinet of Mr. Pierce: England, which prohibited the stealing have been eagerly eaught up and repeated, as the vaticinations of the anthe strife for office within the last retary of the Navy-James C. Dobbin But a careful consideration of the 4th he had appointed to receipt for the VV charge of a shop at Rees' Corfew weeks, that even the distress of N. C.; Secretary of the Interior section, induces the conclusion, that whole of his salary whilst he only re- ner, or the shop will be rented on reaing affliction sustained by the Presi- Robert McClelland, of Mich.; Post- the circulation of small notes is used by ceived a part, addressed in explanatory sonable terms - a house and garden a'dent, in the cruel death of his only Pa.; Attorney General—Caleb Cushson, and the oft repeated wish expres- ing, of Mass. scd by him that he might be permitted to prepare quietly for his great office, have been disregarded, and to avoid the officious and intrusive attenhe has actually been constrained to disguise himself as far as pessible, and to travel INCOG from his home to the seat of Government

To escape an empty display of this kind, the President was compelled, DEAR MR. EDITOR: upon his arrival at Washington a few twenty second, instant, at the Court days since, to resort to an ingenious House. And we would be doing vio- from the circulation. Few could tell sum stipulated between them. Various stratagem, by which means he was en- lence to ohr feelings, did we fail to ex- whether they were real issues or coun- decuments submitted sustain this stateabled to reach his lodgings quietly press the real pleasure, we felt, upon terfeit—the people were unacquainted ment of facts. And it was for this act and unobserved. Such intrusions the interesting occasion. It is but due with the Banks, officers, &c., the masses of kindness and humanity—this act by amount, in GEN. Pierce's case, to of the good old College—due to the uineness, in the ordinary transactions of ed whilst a elpless family were sustainactual persecution. Under the poig- young gentleman, who read the Fare- business. To produce a gradual return ed. t at Mr. Steuart was threatend by nancy of a grief by which his heart has well Address of Washington - and due, to the use of silver change, wi thout pro- member of the House with impeach. Bacon, Flour, Brooms, Buckets, Tub-, been lacerated, the public attentions especially, to the one, who delivered the ducing a shock to the business and ev ment If members would only attend designed for him would have been a Oration-that never, in our whole life ery day concerns of life, the Legislature to their legitimate duties, and not dive mere mockery. He has carnestly and we attend a celebration of the sort, evil of small foreign notes, which prove necessary connexion, it would be unaffectedly desired that such attentions which gave us a higher gratification. ed a present annoyance-secondly, to better for themselves and their counshould not be extended to him--- and And we must not omit to add, that produce a gradual and insensible with- 'ry. The explanation made by Mr. in many cases his desire has been re- the large, intelligent, and indeed bril- drawal of the small notes issued by our Steuart was so plain and so full of the spected. But the horde of office see- table to the taste and public spirit, both keers are not thus to be kept back .- of the town, and the country—was monly denominated. The first purpose the reputation of an honorable public In their greedy pursuit of the coveted not the least gratifying feature of the was accomplished by the first section of officer, failed in its object. place---the sanctity of the grave seems whole affair. The singular excellence the act of 1852. The second, essayed, not to be heeded, and they forget that manner mingled with a GENUINE glow following manner: Banks, are provib MAIKETS. their empty and selfish attentions must of sentiment, so unusual now-a-days, ited, from making and issuing small inflict pain upon the feelings of the upon fourth of July and twenty-sec- notes after the 1st of March 1853. The man of their choice.

Gen. Pierce has throughout indicated a calm and chastened grief, alike echothe opinion of honorable to his head and heart, and we most sincerely hope that the example may not be lost upon those who now profess to be his peculiar friends, who at no distant day may find it nedisappointment.

are, doubtless, many honorable men Mr. Riddle handed Mr Pierce a letter sively to the makers not to the circulawhich they aspire. But we fear their I accept with much pleasure, Sir, the this respect, read as follows. "It shall of this county. Pierce may, however, indicate to some orable motives which have influenced the nation than \$5. "The offence is the of these disinterested patriots, that his honors. It is with gratitude I acknowl- making and issning after a certain day. of noise and clamor, which they ex- ever feel obliged to them for their oft- in this wise- making and issning' cite, and perhaps in some cases, true repeated kindnesses, and will be happy "making and paying out," the "madays supposed to be below par) may meet their reward.
