BALTIMORE, July 6, 1852. Messrs Mortimer & Mowbray: Gents: Last September I was attacked with erysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told nie was bilious pleurisy, which left me with constant, deeply seated, and painful cough, hav ing no rest day or night, and constantly throwing up from my longs a thick matter: I became och emaciated, growing weaker every day, and reeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At the stage of my disease, after baving tried many and various remedies, without success, a friend advised me to try DreHAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which Before I had taken half the contents of one bottle I felt much improved; and now, having taken but two bottles, my cough and pains have entirely h me, and I am enabled to attend to busines can truly say that, with the blessing of God. have been restored to the health I now enjoy by the use of this most invaluable medicine.
