Spring Chickens High .- The Baltimore dailies in speaking of the prices of spring chickens has the following to say: "Only persons having phethoric pocket books can indulge in fried and broiled chicken. These delicacies have reached the almost prohibitive price of forty five cents a pound in the retail market, with no apparent tendency to settle to normal conditions." Spring chickens are very scarce in this vicinity, and the prices are quoted at 25 cents a pound wholesale.

Catching Frogs. - Reports have reached this office from a reliable source that a number of persons are making quite a nice little sum of money by catching bull frogs in the mill pond at Wye Mills. One night recently a party caught several dozen in a yery short time. They readily sell in the city markets from \$1.25 to \$1.50 a dozen. There are many different ways used to catch the frogs.

Tug was in Fault .- The United States Local Inspectors of Steam Vessels of Baltimore in the matter of the collision between the tug Georges Creek and bugeye Ray, in Curtis Bay on April 20 last, in which Arthur C. Rothwell, of the crew of the bugeye, was drowned, decided Tuesday that the tug was in fault, and suspended the license of John N. Kelley, master and pilot of the tug, for

THE DROWNING OF MR. MERRIKEN

The Helena (Ariz) Weekly World of May 10th gives the following account of the fatal accident which befell a former citizen of Caroline county: "Richard Merriken, of near Philips Bayou, was drowned about noon in the St. Francis river, while trying to throw a letter from Carter. Merriker, together with his brother, had pulled out to the boat for the purpose of sending an order for goods to Helena, and as he was in act of throwing the letter on the deck of the boat, the skiff in which he and his brother had pulled out to the boat bumped against the barge which is carried in him into the river. Capt. Billy Shift, of the steamer Carter, related to a World man this morning the circumstances leading up to and attending the deplorable accident, and from the facts in the case no blame can be attached to the boat. Capt. Shift said that he and some of his crew noticed the men pulling for | the boat, and he remarked that the young man who was pulling the skiffbrother of the victim of the accidentwas carelessly manipulating the oars, so he had the boat stopped to avoid any possible accident. However, though the boat was in no motion except drifting with the current, the man kept pulling :.... until the boat bumped against the barge | in tow of the steamer and the unfortun- | ate man was thrown into the river and drowned. The affair is regretted by all who knew the man, for he was well liked and enjoyed the reputation of being upright and honest in all his dealings."

Some MEN are value wise and some are otherwise. Those who buy from Oehm's Acme Hall, Baltimore's well known Clothing House, will be delight- ed with their Garments and probably save all or the best part of the expenses of their trip besides, conveniently located at No. 16 West Lexington St.,
