Beautiful golden hair is rarely seen

wavering, unsteady nature. As a rule, smooth, fine, softly waving hair betokens gentleness, quietness, neatness.

The Earth's Three Motions. The motion of the earth at the equator is equal to nearly 1,500 feet per second, and the earth has three motions-viz, the rotation on its axis in Equity, that the sale of the Real Estate men- one day of twenty-four hours, the revotioned in these proceedings, made and re-ported by William W. Beck, trustee, appointed by a decree of this Court to make 3651/4 days and a very slow gyratory said sale, be ratified and confirmed, unless motion at the poles. This last menor before the 3rd day of December next; tioned motion is a very peculiar one provided, a copy of this order be inserted and has not long been known. The Kent county once in each of four successive poles move around the outside of line at right angles to the plane of the ecliptic, coinciding with the line of axle

> A Charming View. Dawley (to the house agent)-I from the front windows. Why, there are only houses to be seen. House Agent-So there is a charming view, sir. In the house opposite lives the most beautiful widow you ever clapped eyes on, and she's always at

rotation once in 25,868 years.

the window.-London Fun. Habit is our primal fundamental law. Habit and imitation—there is nothing more perennial in us than these two. They are the source of all working and all apprenticeship, of all practice and all learning, in the world .-

Mrs. Enpeck-I think Mr. Mahlstick paints such lovely pictures. I think that I shall have him paint portraits of Henry and me together. Mrs. Cutting-Oh, I didn't know that he painted Your work costs less dollars and is battle pictures.—Chicago News.

The Lesser Evil. You do more painting with one gallon "I don't see how she could possibly of L. & M. than with two gallons of any be sillier-she giggles so constantly." "Well, if she didn't giggle all the time she might talk, and perhaps that would be worse."-Catholic Standard an

> Her Wide Experience. Dottie-I wonder if a blond is more attractive to men than a brunette? Lottie-Ask Tottie; she's been both .-Cleveland Leader.

Habit-forming Medicines.

Whatever may be the fact as to many of the so-called patent medicines containing injurious ingredients as broadly published in some journals of more or attention to this subject. It has, in a considerable measure, resulted most intelligent people avoiding such thermore, from the formula printed on other habit-forming drugs. Neither do

they contain any narcotics or injurious

agents, their ingredients being purely

depths of our American forests and of well recognized curative virtues. Instead of alcohol, which even in small portions long continued, as in obstinate pressure, which forced the buttons of tionable from its tendency to produce a my costume partly inside my flesh.
My watch was pressed tight against glycerine, which of itself is a valuable two ribs which were broken. The skin | remedy in many cases of chronic diseases, on my forehead seemed cut, but it was the pressure of my hat forcing the flesh it enhances the curative action of the between the straw. The knife in my Golden Seal root, Stone root, Black pocket seemed burning hot. Just under | Cherrybark and Bloodroot, contained in the writings of the eminent Drs. Grover Coe, of New York; Bartholow, of Jefferson Medical College, Phila.; Scudder, of Cincinnati: Ellingwood, of Chicago: Hale, of Chicago, and others, who stand as leaders in their several schools of

practice, the foregoing agents are the very best ingredients that Dr. Pierce could have chosen to make up his famous "Discovery" for the cure of not only bronchial, throat and lung affections, but also of chronic catarrh in all its various forms wherever located.

# PAIMIS

Our Standard Brand.

No better is or can be madé. We are still selling at old price, although there has been several advances in the price of lead. But if you prefer Lewis' Lead and Lewis' Pure Linseed Oil, or you may want Masury's Railroad Imt. Lead, as we have them at small cost.
