> The Most Pleasant Shopping Place In Baltimore -:- -:-

q "I don't know why it is,"said an out-of-town customer, "but whenever I come to Baltimore to shop, I spend most of my time at Hochschild, Kohn & Co.'s. You have such nice merchandise. your salespeople are so polite and accommodating, and I fee! so thoroughly at home in your store, that it is a real pleasure to shop there."

We have been busy for nearly twenty years, devising new ways in which to make this store a pleasant place to shop--a place where customers would come again and again.

Any reliable store can sell dependable merchandise. Any honest merchant will charge only a fair price for his wares. What, then, will make people come to one store in preference to others!

¶ Good Service.

¶ Hochschild, Kohn & Co.'s is the store of Good Service. Test it whenever you come to Baltimore to shop.
