Crimson Clover

The supply of Crimson Clover Seed is lower in this country than it has ever been since it has been in use.

Knowing that it has no equal as a soil improver, and that our farmers could not easily find a substitute for it, we made the largest purchase of Crimson Clover Seed we have ever made and we are going to offer it until June 25th at less than the market price today for fancy seed. Our price until June 15th will be

$9.50 Bushel

If you are going to use any of this seed this year now is the time to buy it, We sold a very close buyer a month ago 30 bushels. He was posted on conditions. We will accept your order and make delivery of seed any time up to June 15th.

American Fence

On Tuesday we unloaded a large car of Fence, Barb Wire, Nails and Staples. Our stock on some sizes was completely exhausted and we were fortunate in being able to replenish so quickly. Market on all steel commodities is very strong and we look for further advances in fence. If you need it, better buy now while you can get it.

Yours to serve,

Food For Thought

Who Is the Greatest Slacker?

The man who refuses to volunteer and give up his home, business, and perhaps his life for the good of his country, or the man who refuses to loan his Government; even if he has to make a sacrifice to do it, a small sum of money on which he is paid 3½ per cent. interest backed by the best security in the world.

Think it over and draw your own conclusions

The Banks of Kent county subscribed to the full allotment for the county, $200,000 in the belief and faith that the individual investor would relieve them of the burden, and we now appeal to you to do your part by taking as many of the Liberty bonds as you can.

The bonds bear 3½ per cent. interest and can be bought in denominations of $50, $100, $500 and $1,000, and are exempt from all taxes except Inheritance Tax. Should the Government issue bonds bearing a higher rate of interest than 3½ per cent, during the war with the Imperial German Government, the bonds you buy now will be exchangeable for the higher rate bonds.

Here is the opportunity for every citizen of Kent county, with $50 or more to have his share in this war!

The undersigned banks will receive subscriptions and give full particulars as to details of payment, etc. All Banks are acting without any charge. Every Dollar subscribed goes to the Government.

RED CROSS FUND

Kent county has been "assessed" with a contribution of $11,000 for the Red Cross Fund based on the wealth of the county. This is an average of fifty cents per capita. Are you who have not contributed to this fund willing that others should bear your burden? The whole State of Maryland has so nearly reached her goal for the Red Cross that she must attain it at all costs. A few counties which have not raised their quota of money have it within their power to bring success to the whole State in this great work of mercy.

What if the Red Cross were to take care of only one-twentieth of the war sufferers in these sections which have not given their part—the one-twentieth that helped the Red Cross when it was in need? Of course, the Red Cross doesn't do things that way. But it isn't quite the right thing—the sporting thing, if you will—to take advantage of the knowledge that it doesn't.

Here are the contributors for Kent thru the Treasurer's hand:

DEATHS

Isaac Sinex, aged 67, a prominent retired farmer, died at his home in Clayton, Tuesday night after a lingering illness. He was married four times. His first wife was Miss Martha Smith, of Millington, Md.; his second, Miss Ella Hurlock, of Millington, Md.; his third was Miss Georgie Lamb, of Cheswold, and his fourth wife was Miss Alica Fox, of near Smyrna. The latter survives him. He is also survived by one daughter and four sons.

The funeral of Mrs. Bridget Nolan Dunn, who died at her home near Massey on Monday, June 25th, was held from St. Denis' R. C. Church at Galena on Thursday, June 28th. Besides a large gathering of friends from this vicinity, many from distant points also attended. There are some lives, when brought to a close, need no lengthy obituary to commemorate their earthly career; and one of these lives, the writer feels, was that of Mrs. Dunn. Her entire career was spent in devotion to her church and her family, and no sweeter epitaph can be carved on any stone than the word by which she will be remembered—Mother. Mrs. Dunn was born in County Wicklow, Ireland, March 25, 1836, and came to America and settled in Kent county in 1862. Besides her husband, Thomas Dunn, she is survived by eight children, viz: Thomas and Joseph, farmers, near Massey; M. P. Dunn, who is engaged in the mercantile business in Massey; Mary, John, Patrick, Samuel and Paul, who reside at home. Mrs. Dunn for the past few years has been an invalid, and having reached the advanced age of 81 years surcease from pain could come only through the Heavenly Father, who has called her home. Interment, following a solemn high mass, celebrated by Father John A. Daily, was made in St. Denis' cemetery at Lambson's.

THE Chestertown Lodge of Masons, through the Master, S. Scott Beck, Esq., has received an invitation for the members to attend special exercises to be held at Centreville by the Masons of that place on next Sunday afternoon at 2.30, on the lawn of Wm. McKenney, to wish the boys who have enlisted in the military service God speed in their work and a safe return.

THE married men can't enlist because they have their wives to take care of, and their wives can't go as nurses because they have their husbands to look after.
