# REDUCED PRICES

Make Ford W.8 am even greater value

> Prices have been reduced on the Ford V-8, but there has been no change in Ford size or Ford quality. You get more value for your dollar -- not a cheaper product...

Same 112-inch wheelbase Same economical V-8 engine Same sensational performance Same roomy body types. Same Ford dependability

Until June 15, prices of the 1934 Ford V-8 remained unchanged. They were not raised this spring. Therefore this is a genuine price reduction.

The Ford dealers want you to know that in every detail the chassis of the regular Ford V-8 is identical to that on which the de luxe bodies are mounted; the difference is in body appointments only. Prices now as low as \$505 for the car and \$485 for the 1311/2-inch chassis truck - f. o. b. Detroit. Small down payment. Convenient, economical terms through the Authorized Ford Finance Plans of: the Universal Credit Company.
