### Wood Wanted. Office of the School Board,

Denton, Md., August 2, 1892.

Sealed proposals marked on outside of envelope "Proposal for wood" are invited until September 6, for furnishing enough good merchantable wood for all the school houses in the county where wood is used for fuel, which when added to what may now be on the school house grounds shall make five cords. Persons receiving contracts to supply wood will be required to have same well corded and stacked on school grounds not later than October 1; and their accounts to be rendered to this Board must have the name of at least one trustee certifying that he has measured the wood and that the quality is first-class. Fuel bills are payable in November. By M. B. STEPHENS.

All the leading makes of Dentifrice, are kept in stock by George & Redden's.

Secretary.
