The Azores.

power of Spain, and in the history of |-St. Louis Republic. the next twenty years their name is frequent as the favorite battleground of the English and Spanish fleets. The partiality was, indeed, mainly on the in a rational way like the rest of manside of the former, and for a good reason. These islands lay right in the track of all vessels sailing to and from that enchanted region known then to made use of the fragments as the old m. and 7.40 p. m. all men as the Spanish Main. On the highest peak of Terceira, whence in clear weather the sea could be scanned might and day. When he saw any sails. approaching from the west he set a flag upon the western column, one for each sail; if they came from the east a similar sign was set up on the eastern col-

Hither in those days came up out of the mysterious western seas the great argosies laden with gold and silver and jewels, with silks and spices and rare woods, wrung'at the cost of thousands of harmless lives and cruelties unspeakable from the fair lands which lie between the waters of the Caribbean sea and the giant wall of the Andes. And hither, when England too began to turn her eyes to El Dorado, came the great meet these precious cargoes and convoy them safe into Lisbon or Cadiz before those terrible English sea wolves could cathedral and fixed on July 15 for the translation, but for forty days it rained steadily, so that they could not open the translation and points in the Virginian cathedral and fixed on July 15 for the phis on night train from Washington. For Luray 2 30 p. m. daily. get scent of the prize.-Macmillan's Magazine.

Important Advice.

A gentleman who believed that to an important extent clothes made the man, even when the man is a royal personage. visited the Comte de Chambord at Fronsdorf a few years ago. The Comte de Chambord was the grandson of Charles X, the last Bourbon king of France, and the French Royalists called him Henri V, and hoped, until his death, in 1883, to restore him to the throne. The marquis, of whom this story is told, was a Parisian, a man of fashion and an ar- on accompanying them everywhere, that St. Louis and the West, 6.30, a.m., 3.15 know what was going on in Paris; so sibly include them.—Atchison Globe. after a few minutes' chat he said: "Marquis, it is not often that I have a chance to talk with any one so well informed Charles M. Gale. on the signs of the times in Paris as rself. Now in case I return to Paris.

you would you advise me to do?" what, 'ted for a bit of profound po-He was. ophy. The marquis looked litical philo. Fifth" and hesitated. Fifth" and hesitated. Should be ventur, on a great liberty? But his advice had been asked; as a 30 and 32 Pratt Street (Under Malthy House). loyal subject he would bive it frankly. "Sire-monseigneur," he stammered, "I think you had better give up your German tailor and have your thousers, made | Underwear, Neckwear, in Paris." "My trousers!" "Yes, sire; pardon me, but your trousers are out of fashion."-San Francisco Argonant.

How His Heart Was Won.
