WASHINGTON LETTER From Our Regular Correspondent

WASHINGTON, Nov. 21, 1892 A great change has come over the no more about the immediate repeal of the McKinley tariff and the beginning of an almost free trade era, which every Democrat was advocating a few days ago. The same fellows are now talking about "moderation," a "gradual change" and the preservation of our "business interests." Protection is no longer unconstitutional in the eyes of the Democrats, who are now promising that instead of the repeal of the Mc-Kinley law, at the extra session, which gular cat and dog fight, ostensibly it seems generally to be agreed among over the management of the citizens them is to be held in the fall of next committee that will make the arrangyear, if not before, they will merely ment for Mr. Cleveland's inaugura- 2.30 p. m., Express 10.15 p. m. lower some of the duties that are tion, but in reality over the snug m. and 7.40 p. m. Mixed train for feature of our tariff shall be carried. Carter his old place. Mr. McComas Harrisonburg, §4.00 a.m. Of course there may be no sincerity in this talk—there never was much in anything that eminated tana. from the Democratic party-which may be indulged in now by order of the bosses for the purpose of allaying the panic feeling which so closely followed the Democratic victory. It exists, and that is why is is chronicled; time will show whether the Democrats were really fighting for the power to make radical changes in our tariff and financial policy, or merely for the offices.

If the Democratic administration is to be as unfortunate as the Cleveland and Stevenson banner which hangs, when it is not down, over Pennsylvania Avenue, it is indeed to pitied. This banner has been cut down once, supposed to have been done by a Demosrat who did not love the ticket-none such can be found now, but they will again be plentiful as soon as the distribution of pap gets under way-, and has been blown down so often that its disappearance hardly excites any comment; and one man thraatens to bring a suit for damages done to his viehicle by reason of his horse having become frightened and running away because he got tangled up in the ropes of the flag, one dark night when it was down, lyino in the middle of the street.

Secretary Charles Foster wishes it distinctly understood that all interviews purporting to have been held with him making him predict a deficit in the Treasury during the next fiscal year are out and out fakes. He has made no prediction concerning government finances beyond his own term of office and will make none, believing that it is not proper for him to do so. He says there will be no deficit during the current fiscal year and that is as much as he will say for publication. His annual report, which will be made public at the same time at the President's annual message, will give a detailed resume of the finances of the nation, but will contain no recommendation for the future. Even if it were considered proper for a retiring Secretary to make suggestions to the new Democratic administration, Charlie Foster is not the sort of a man who would furnish his political enemies with ideas to help them out of trou-

Will cure You, is a true statement of the action of AYER'S Sarsaparilla, when taken for diseases originating in impure blood; but, while this assertion is true of AYBR'S Sarsaparilla, as thousands can attest, it cannot be truthfully applied to other preparations, which unprincipled dealers will recommend, and try to impose upon you, as "just as good as Ayer's." Take Ayer's Sarsaparilla and and would be benefited permanently. Bridge on the 3:40 p. m. train daily. This medicine, for nearly fifty years, has enjoyed a reputation, and made a record for cures, that has never been equaled by other preparations. AYER'S Sarsaparilla eradicates the taint of hereditary scrofula and other blood diseases from the system, and it has, deservedly, the confidence of the people.

Sarsaparilla

"I cannot forbear to express my joy at the relief I have obtained from the use of AYER'S Sarsaparilla. I was afflicted with kidney troubles for about six months, suffering greatly with pains in the small of my back. In addition to this, my body was covered with pimply eruptions. The remedies prescribed failed to help me. I then began to take AYER'S Sarsaparilla, and, in a short time, the pains ceased and the pimples disappeared. I advise every young man or woman, in case of sickness resulting from impure blood, no matter how long standing the case may be, to take AYER'S Sarsaparilla."-H. L. Jarmann, 33 William st., New York City.
