

The Devil in Sussex.—The Milford (Del.) News of last week says:— Last week we recorded one of the most fiendish outrages that ever occurred in this State. This week we are to add:—

No. 1. It is stated upon the best of authority that a very respectable Professional gentleman of Broadkirk in Hants is now in the hands of a Sheriff of Sussex upon the charge of committing a rape on Sunday last upon a young lady a resident of the town of Milford. Efforts are being made by the friends of the young man to have him released upon bail. The charge is a. a. t. him is for Rape but it is generally considered a serious one.

No. 2. A gentleman at Philadelphia's Woods Camp Meeting caught a man in the act of grossly insulting his wife, when upon he struck him to the earth with a stick of wood. The blow was a severe one and it is rumored that the wounded man has since died.

No. 3. A negro man was arrested on Monday last and confined in Jail at Georgetown upon the charge of committing a Rape.

Progress of Cities.—Cincinnati claims by the present census, 161,000 inhabitants; increase since the last, 40 per cent. St. Louis claims 150,000; nearly double. But Chicago will show 120,000, which is more than four times her census in 1850! At this rate Chicago would be another New York in ten years more. Pittsburgh has risen from 88,000 to 130,000.

Gov. Letcher for Douglas.—In the course of his speech at Richmond, on Thursday night last, Mr. Foote announced that he was authoritatively informed that his Excellency, John Letcher, now Governor of Virginia, had declared in favor of Douglas and Johnson, and that the publication of such preference would be made by Gov. Letcher himself, in the next few days.

State Elections.—State elections are yet to be held, before the Presidential election in November, as follows:— In Vermont, on Tuesday, Sept. 4. In California, on Wednesday, Sept. 5. In Maine, on Monday, Sept. 10. In Georgia, on Monday, Oct. 1. In Mississippi, on Monday, Oct. 1. In Florida, on Monday, Oct. 1. In South Carolina, on Monday, Oct. 8. In Pennsylvania, on Tuesday, Oct. 9. In Ohio, on Tuesday, Oct. 9. In Indiana, on Tuesday, Oct. 9. In Minnesota, on Tuesday, Oct. 9. In Iowa, on Tuesday, Oct. 9. Presidential election in all the States, on Tuesday, Nov. 4.

The Washington correspondent of the New York Times acknowledges that Bell and Everett will probably be elected by the people. They are sure of one hundred electoral votes in the South, and he thinks that as soon as it is made to appear that N. Y. could elect them, that State and others will give their votes for Bell. The contest is between Bell and Lincoln, and Bell has a good chance of beating him by the popular vote.

Whose Ox is Gored?—In 1856, the Fremont party in the State of Pennsylvania, labored for months to secure a Union Electoral ticket, composed of Fillmore and Fremont men. Various propositions were made, wholly from the Republican side, but they were rejected.

We don't remember seeing any Republican condemnation of this attempted Republican bargaining in that State. But we are hearing a great deal of prudence stuff about Americans selling out in New York. And we shall hear the accusation made until its repetition begins to react upon those who utter it.—Federation N. Y. Ad.

A devoted follower of Isaac Walton caught at this place on Tuesday with a hook and line a genuine herring. This is a rare species at this season of the year in our waters, and it is the second time that we have known of its capture in this method. Kent News.

A New Work by the Distinguished American Authors.
MRS. E. D. E. N. SOUTHWORTH. **THE HAUNTED HOMESTEAD.**
With the Autobiography of the Author.

Complete in one large duodecimo volume, neatly bound in cloth, for One Dollar and twenty-five cents, or in two volumes, paper cover, for one dollar.

The Publishers take great pleasure in being able to present to the American public another new and charming work by the popular American Authoress, Mrs. Emma Southworth. She is excelled by no living female writer in the world. Her style is free from insipidity on the one hand and bombast on the other; and though we meet with forcible we are never startled with inflated language. Her characters are rarely under, but never overdrawn. Her scenes are life pictures, her incidents founded on facts, and her sentiments are characterized by a singular purity both of concept and expression. She has the rare faculty of saving it in such a manner as that her meaning cannot be misinterpreted. In short, she possesses in an eminent degree those qualifications which are the peculiar prerogatives of a writer, while she delights the reader's imagination with her descriptive beauty, she applies home truths to their understanding with the force of rational conviction. The 'Haunted Homestead' has been pronounced by those who have read the proof-sheets, to be her best work. This is sufficient to commend it to perusal, and we anticipate for it a great popularity. For sale by all Booksellers.

Copies of either edition of the work, will be sent to any part of the United States, free of Postage, on remitting the price of the edition they may wish, to the publishers, in a letter.

AYER'S Cathartic Pills,

(SUGAR COATED.)
ARE MADE TO CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and Justice of their Virtues.
FOR THE CURE OF Headache, Sick Headache, Pools Stomach, Pruritus, &c. May 1, 1856.
Dr. J. C. AYER, Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a full stomach, which it cleans at once. If they will cure others as they do me, the fact is worth knowing.
Yours in great respect, ED. W. FRENCH, Clerk of Steamer Clerken.

Bilious Disorders and Liver Complaints.
I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.
Yours truly, ALONZO BAILEY, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.
FOR OFFICE, HARTLAND, N. Y. Co. N. Y., Nov. 1, 1855.
Dr. AYER: Your Pills are the perfection of medicine. They have done me more good than I can tell you. I have been sick and unable to get on my feet for several days, but after taking your Pills, which soon cured me, I have been able to get on my feet and feel as well as usual. They have cured my wife, my two children of bloody dysentery. One of our neighbors had been sick with dysentery for two days of your Pills, while others around us paid from five to twenty dollars for bills, and did not much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized long and highly.
Yours, GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.
FOR OFFICE, HARTLAND, N. Y. Co. N. Y., Nov. 1, 1855.
Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.
Yours, J. V. HINDE.

Erysipelas, Scrofula, King's Evil, Testicles, Tumors, and Salt Rheum.
From a Forwarding Merchant of St. Louis, Mo., Nov. 1, 1855.
Dr. AYER: Your Pills are the purgative of all the diseases of the human system. I have cured a great number of cases of Erysipelas, Scrofula, King's Evil, Testicles, Tumors, and Salt Rheum.
