AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855. DR. J. C. AYER: I de not hesitate to say he best remedy I have ever found for CHERRY PECTORAL. Its constant use in my practice and my family for the last ton years has shown it to possess supe-for virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A.B. MGRTLEY, Esq., of Urica, N. Y., writes: "I have used your Italoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy." Croup, Whooping Cough, Influenza.

BROTHER AVER: I will cheerfully certify your Pectoral is the best remady we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Monterey, Ia., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Pecteral by the advice of our clergyman. We might add volumes of evidence, but the most con-.vincing proof of the virtues of this remedy is found in its effects upon trial. Consumption.

Probably no one remedy has ever been known which cured to many and such dangerous cases as this. Son no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

Doctor Aver, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily faildrice, recommended a trial of your medicine. We bless from that day. She is not yet as strong as she used to but is free from her cough, and calls herself well. Yours with gratitude and regard, ORLANDO SHELBY, or SHELLTVILLE.

Consumptiers, do not despair till you have tried Aven's Chemists in the world, and its cures all around us bespeak the high merits of its virtues. — Philadelphia Ledger.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but ing Establishment of also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my

afflicted, suffering fellow-men. The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:-Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartbyrn, Headache arising from a foul stomach, Nau-sea, Indigestion, Morbid Inaction of the Bowels and Pair arising therefrom, Flatulency, Loss of Appetite, all Ulcer-ous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purify-ing the blood and stimulating the system, cure many somplaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kid-peys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

THE Publishers take great pleasure in being able to present to the American apply to or address public another new and charming work by the pouplar American Authoress, Mrs. Emma Southworth. She is excelled by no living female writer in the world. Her style is free from insipidity on the one hand and bombast on the other; and though we meet with forcible we are nev er startled with inflated language. Her characters are rarely under, but never overdrawn. Her scenes are life pictures, her incidents founded on facts, and her sentiments are characterized by a singular purity both of conception and expression. She has the rare faculty of saving it in such a manner as that her meaning cannot be misinterpeted. In short, she possesses and in an eminent degree those qualifications which are the peculiar prerogatives of a writer, while she delights the reader's imagination with her descriptive beauty, she applies home truths to their understanding with the force of rational conviction. The 'Haunted Homestead' has been pronounced by those who have read the proof-sheets, to be her best work. This is sufficient to commend it to perusal, and we anticipate for it a great popularity. For sale by all Booksellers.

Copies of either edition of the work, will be sent to any part of the United States, free of Postage, on remitting the price of the edition they may wish, to the publishers, in a letter.
