

FROM MARTINSBURG.

OVER HALF A MILLION DOLLARS, WORTH OF PRIVATE PROPERTY DESTROYED BY THE CONFEDERATE ARMY.

Intelligence received this city yesterday evening that the Confederate forces at Martinsburg, Va., under command of Col. Jackson, had on Friday night and Saturday last destroyed forty-eight locomotives, and a large number of cars, in all nearly three hundred, belonging to the Baltimore and Ohio Railroad Company.

Of the locomotives destroyed, five were first-class passenger engines, and of the cars only five were passenger, the balance were gondola coal and house cars. A large lot of coal contained in some of the cars was confiscated. The destruction was commenced by burning, and what could not be burned was otherwise destroyed. One of the engines, previous to being fired, was wrapped in an American flag.

The property destroyed was at the company's depot at Martinsburg, and the destruction the more devilish from the fact that the bridges at Harper's Ferry and other points being destroyed, they could not be used for transportation from the East.

The value of the property which was destroyed is estimated at half a million of dollars, most of the engines destroyed having cost \$10,000 each.

Colonel Johnson is encamped at a place called Bunker hill, about nine miles East of Martinsburg, with a strong force, and Colonel Jackson is on the west side with a small force. General Patterson is still at Williamsport, awaiting the arrival of his wagon horses, which he was daily expected. With this exception he was fully prepared for an advance movement, which it was thought would take place in a few days.

Position of Gen. Patterson's Column. HAGERSTOWN, June 23.—The precise position of the troops in his neighborhood is as follows: Second Legion, and the 7th, 8th and 10th Pennsylvania regiments are in a camp about one mile east of Williamsport. Major Doubleday's battery of heavy artillery, and having one gun in position, are on the Williamsport bluffs. Captain Perkins' 8th artillery battery of six pieces, is between this point and Williamsport, in the Fair Grounds. Col. Dore's 2d, 3d, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st, 32nd, 33rd, 34th, 35th, 36th, 37th, 38th, 39th, 40th, 41st, 42nd, 43rd, 44th, 45th, 46th, 47th, 48th, 49th, 50th, 51st, 52nd, 53rd, 54th, 55th, 56th, 57th, 58th, 59th, 60th, 61st, 62nd, 63rd, 64th, 65th, 66th, 67th, 68th, 69th, 70th, 71st, 72nd, 73rd, 74th, 75th, 76th, 77th, 78th, 79th, 80th, 81st, 82nd, 83rd, 84th, 85th, 86th, 87th, 88th, 89th, 90th, 91st, 92nd, 93rd, 94th, 95th, 96th, 97th, 98th, 99th, 100th.

Mr. Alvey, the assassin who was arrested at Williamsport, has been taken hence to Washington. IMPRESSMENT OF UNION MEN.—Nearly every Western paper that reaches us contains accounts of Union men having fled from their homes in the Southwestern and Middle States to save themselves from being impressed into the rebel service. Some of them had been already drafted and had actually escaped from the rebel ranks. The complete reign of terror prevailing along the southwestern border of Missouri is confirmed by numerous witnesses.

The Pennsylvania Regiment, of the 5th inst., says that on the previous day a number of emigrants, mostly Northerners, who had fled from Montgomery county, Ind., to Missouri, where they purchased farms, passed through that city in their flight from the unscrupulous proscriptions which would compel them to fight under the Confederate flag. They left their crops, flocks and herds, and household furniture. One of them, an old gentleman of sixty years of age, escaped from a rebel infantry company, which, while the other Union men, he had been forced to join.

Fall of a Building. Several Soldiers Killed—Others Wounded. KANSAS CITY, Mo., June 24.—A horrible disaster occurred at Wyandotte, Kansas yesterday, by the falling of the walls of two buildings and a part of a third, burying all the inmates. The buildings were four stories high, situated on the levee. Some forty or fifty persons were in the buildings at the time. They had previously been occupied as the headquarters of the 1st regiment of the Kansas volunteers. Yesterday Capt. Haines, company D, of 40 men, entered the building for the purpose of drilling, preparatory to being recalled into the service of the United States, when the centre walls of the building suddenly gave way, plunging the whole company beneath a mass of ruins. A number were killed outright, one, a German, subsequently died; and another had both legs and an arm broken. Twelve or fifteen others were slightly injured, and others escaped without a bruise. The loss is unknown.

T. PARKIN SCOTT.—As if to cap the climax of infamy, this pretended legislator for the city of Baltimore has introduced into the Legislature of Maryland a proposition to suspend the operation of the laws and shield from punishment the participants in the riot of the 19th of April last in the city of Baltimore.

A CARD TO THE SUFFERING. The Rev. WILLIAM COSGROVE, while laboring as a missionary in Japan, was cured of Consumption, when all other means had failed, by a recipe obtained from a learned physician residing in the great city of Jeddo. This receipt has cured great numbers who were suffering from Consumption, Bronchitis, Sore Throat, Coughs and Colds, and the debility and nervous depression cured by these disorders.

THE WAY THINGS ARE DONE AT MARTINSBURG.—A gentleman who has been in the habit of trading in horses between Cincinnati and Memphis, says the Cincinnati Times of Monday, purchased a number, before they were declared contraband, upon which he owed a balance of \$600. The debt fell due and was not paid. A day or two ago the holder of the note received an explanatory letter from the maker, which said: "They have seized all my horses without pay, and I am now in the Southern army. If I ever get out, and am able to pay you, I will do so to the utmost farthing. I hold a judgment against—, of Cincinnati, which I will assign to you, if you desire, for which you can give me credit if collected."

Advance of Federal Troops on Harper's Ferry, BALTIMORE, June 23.—A gentleman, just arrived from Frederick, says that on Saturday afternoon, the advance guard of Col. Stone's column was at Point Rocks, moving towards Harper's Ferry, and one of Gen. Patterson's columns had passed through Greenastee, going in the same direction. No doubt was entertained in the vicinity that Harper's Ferry would be occupied by day by Federal troops. The Government has possession of the telegraph lines, and permits nothing to be transmitted relative to the movements of troops in that vicinity. Our informant also learned that the report of the hanging of Col. Down and Mr. Chase at Martinsburg, was under the cover of the night, and was ascertained to be incorrect.

LATEST FROM HARPER'S FERRY. HAGERSTOWN, June 24.—The Agent of the Associated Press has just returned from Harper's Ferry. The town wears a look of desolation. Scarcely an inhabitant is visible. No Federal troops were there.

The loss of the rebel army was seen on Thursday. On that day a skirmish occurred between the Confederate scouts and the Sharpshooters of the 6th Maine. The latter were under the cover of the canal, and took deliberate aim. At the Ferry it is said that two Confederates were killed and one wounded. The best informed sources there say that a body of 1500 or 2000 Confederates are stationed about three miles from the Ferry, toward Winchester, but they are not visible either from the camp or Pinacle Hill, or from the London county monument.

Your correspondent saw a small scouting party of Sharpshooters. The Confederates pickets no longer show themselves at Williamsport, but they are known to be concealed as near as two miles back. There is a rumor that Gen. Johnson has four regiments stationed four miles from Williamsport, but the report needs confirmation, though it is generally believed at Williamsport.

High-handed Measure of the Maryland Secessionists. FREDERICK, June 24.—The resolution requiring the Governor to return to the State any military companies from whom they were disarmed, finally passed the Legislature to-day.

AFTERNOON. Military Parade, etc., from two to three o'clock. The reading of the Declaration of Independence. Oration to be delivered by distinguished gentlemen from abroad.
