DEAR SIR: I have tried your Fever and Ague Medicine in several cases, and can truly my that it acted like a charm. F. C. TREADWELL, M. D.

My daughter suffered from chills for a long time, and the various so-called remedies gave no relief. Having procured some of your. Anti-Chill Pills, I gave eight of them, and since then she has had no symptoms of the disease.

She is hearty, cheerful, and in vigorous health, unlike the torpid, feeble creature she was while a prey to the fever. It gives me pleasure to rut my name to the record, though unsolicited. Your obedient servant,
