DENTON, MARYLAND:

WE believe this to be the opportune moment to address a few words of caution to to all those composing the great mass of the Republican party of the first Congressional District of this State. We have no desire to dictate to them the course to be pursued in the approaching contest-no wish to present a platform of principles, or in any manner to be captious or stubborn, as to the means of conducting the canvass, or the advocacy of the principles, which we hold in common, with every true Republican who regards the permanent interests and ultimate success of the party to be paramount to every other consideration. We believe it to be a truth which publication of at least a portion of the num- nent of the republican faith—a more popular Green cannot be controverted, that the great mass erous letters received at this office from dif- candidate—a man thoroughly tried and true of the Republican party embraced in the ferent sections of this Congressional district to principle, cannot be found on whom the NEW ADVERTISEMENTS. mits of the district, are nonest—that they mean right, and meaning right, will dare do the right, if left free to exercise it in their the right, if left free to exercise it in their the right, if left free to exercise it in their the right, if left free to exercise it in their the right, if left free to exercise it in their the right, if left free to exercise it in their the right, if left free to exercise it in their the right, and meaning right, will dare do the party. To principle firm—to friends true as steel—the right and delivered at any of the stations on the Md. & Del. R. R. Prices moderate. Address W. FOX, P. O. Drawer No. 24, Fullows M. Fox No. 24, Fullo and harmony of the party, there are those, ministered to the Cecil "Whig" is warmly of the people, Mr. Goldsborough, if honored who, having been elevated to official posi- endorsed by many of the leading Republi- with an election, would be the governor of jy7-tf. (J.) Goldsboro' Station, Md. tion, and who have become so inflated with cans of the district "outside of Cecil," and if the whole people of the State. The party pride and vanity—have risen so high in their we are to judge of the animus of the party, might nominate as good a man for the posiown self-esteem—have become so convinced from the expressions breathed in these let- tion, but none better. in their own minds, that the party cannot ters, the Cecil county candidate has very exist without them; that nothing can be meagre chances for a nomination by the condone, unless they are consulted, and they vention. The Whig, by its course has evi- cratic (?) ranks in this Congressional district take the lead in every movement. These dently, destroyed all hopes for the success of goes bravely on. The friends of Col. Ham- attend. men are a class of politicians, who live upon any gentleman in his section. These letters bleton defending his vote on the income tax the spoils of office, whose political opinions | will speak for themselves and we hope the | bill and those opposed to his course in Conare changed to suit every shifting breeze, editor of the Whig may learn a profitable gress pitching into him without mercy. We and no matter how advanced the ideas of the lesson from them and no more charge the are but a spectator to the scene, so lay on party in power, they will endorse every Republicans of this section as being political gentlemen, we care not who gets a black eye theory, correct or not, so they may steer traders upon the market. their bark into the political haven of office. It is with just such men, inside this district, and outside of it too, that we have to con-tend, in the selection of a candidate for Con-tend, in the selection of a candidate for Congress, soon to be made. We have been led and the result is that body is to be called ed the war for the salvation of the Union and not here enumerated. to believe when an applicant for position has together some time this month. And then openly advocated the treason of the South. been honored with preferment through the the party will have "a policy." To those But times have changed—they have used Mr. influence of his friends, he is the servant of who have not been careful readers of Demo- Hambleton to the accomplishment of their the people and not because of his success cratic literature it may be surprising that it purposes and now they would like to get rid our friends to beware. Peace and harmony getful of even the events of the past few realm? should be the watchword of the party. The years and, that notwithstanding its boast interest of the entire district—of every the beginning of every canvass has found ly suggestive death which occurred in the county—should be cunsulted—the claims them without a new set of principles. They Harrisburg prison on Wednesday. The deof every candidate duly canvssed before the forget that during the late war it clamoured ceased was a man in the very prime of manpeople and the nominating convention, and incessently for peace; that when the war was carefully trained at home—sent to Euevery interest; every desire for the public was over and Andy Johnson had found a rope to finish his education and complete welfare; for the harmony of the party and resting place in its ranks how earnestly it him in all the accomplishments; a young the permanency of our institutions, should be seriously considered and acted upon with seriously considered and acted upon with that wisdom and calm judgment which is so the Union; that it opposed the issuing of the languages—became a Professor in one essential to the success of all undertakings. legal tender notes, when it was necessary of our colleges—was a skillful surgeon—in-And, as one of the elements of success, the for the safety of the republic, as unconstitu- herited a fine fortune—became addicted to want of anything in my line for Camp-Meetmasses of the party should be consulted.— tional and that now it wants the entire publis mother's money and that of his relatives &c., at Our primary meetings should be well at- lic debt paid in greenbacks. And, to come became a low drunkard and vagranttended. Every voter should take a lively interest in the selection of delegates to the nominating convention, and if this is done, bere can be no regrets left behind when the there can be no regrets left behind when the United States bonds" and how they now about ten days ago he returned for the last First-class Bakery, nomination is made, that they failed to do denounce Col. Hambleton for a vote that is time, and died on Wednesday morning, a also Bread of all kinds, Pies and Tarts. their duty.
