The culprit was named John Thomas will never enforce its provisions. It then and has confessed his guilt. proceeds to pitch into Capt. Hunter Davidson, "commander of the Oyster Navy," in [For THE AMERICAN UNION.]

the following vigorous style: "But this Oyster law has yet another feature that should damn it forever, in the obnoxious execution of its provisions. The burden of condemnation of this feature should rest however, not on the law, but on the leadership of its police force. Either ignorance or tyranny is the only cause to which the mal-execution of the law can be attributed. It is not the purpose of law, that it should be executed, without discrimination, according to its letter .-There is a meaning and intent in all law, and it is the intent that must be executed. "Is Capt. Davidson ignorant of this fact. If he is, let him be set aside and a better man appointed. If he knowingly arrests a man, when no charge of non-compliance with the requirements of the law can be sustained against him, then put the tyrant down, and let him pay the forfeit of
