-UN, MARYLAND:

Thursday Morning, Oct. 5th, 1871.

The Peninsular Press. and urge them to activity in the work be- his dealings with this element. fore them. The Whig is of the opinion, that with proper effort, the Republicans " can" and "will" carry the county.

The Cecil Democrat devotes nearly a colunn editorial to this paper. He styles u s the "hero of a past age," says we have session in Baltimore city. It is urged that be en asleep and compares us to old "Rip- the depth of water is not sufficient for the unt bidden, is when he calls us "the old largest class ships, but this we regard as gent leman." We respectfully decline all these honors which the youthful and inexperienced editor of the Democrat would innocently invest us. We are neither a "hero," a "Rip Van Winkle," nor an "old men" a "Rip Van Winkle," nor an "old men" a "Rip Van Winkle," nor an "old men" would across this peninsula would not deepen a "hero," a "Rip Van Winkle," nor an "old men" would be a person of the Chesapeake the administration of the administration of the President and re-nominate him for a second term. He will certainly be re-lected should his life be spared. This fact is foreshadowed.

Convention, endorse the administration of the President and re-nominate him for a second term. He will certainly be re-lected should his life be spared. This fact is foreshadowed.

Convention, endorse the administration of the President and re-nominate him for a second term. He will certainly be re-lected should his life be spared. This fact is foreshadowed.

Convention, endorse the administration of the President and re-nominate him for a second term. He will certainly be re-lected should his life be spared. This is highly commended by all denominations, and wisconsin. New York will lose three. gent leman." We respectfully decline all an error, as the waters of the Chesapeake man." We have never, yet, upon any that stream or afford better facilities for field, raised high the glittering blade, or sought, mid wars, dread, alarms, a hero's fame. No sir, our ambition does not run that way. Nor did we ever, like the Democrats, each fee distinction in the putrid pool of party politics. Nor, do we either, wish to acquire heroic fame by blackening any man's character, much less the Democrats.

And, though we may have slept soundly in the past, yet those hours of sleep have

And, though we may have slept soundly in the past, yet those hours of sleep have

The Jersey City Standard prints the following: The vicinity of the American Holy began to bark, which caused the man to fall into the bath tuble in a terrible fit. On getting out of the fit he directed by worth-divisions and the sidewalk fronting the hotel of a little girl, apparently about three years of age, who with an utter disregard for propriety who with an fame. No sir, our ambition does not run looked out upon the busy world long by nature, into an artificial channel, when by nature, into an artificial channel, when the curbstone.

| And truttless actempt to undertake to turn the great commercial highways, carved out the great commercial highways and great the great commercial highways are great to great the great t

have scanned him closely through all these years. Our opinions formed in this time are that he has much to learn, and as time iis short, he had better begin now. Were our looks whitened with time and deep furrows.

The greater part of this peningular pe locks whitened, with time and deep furrows creeks, and we need not an artificial pas- ped, engraven upon our cheeks, we might conclude with the Democrat that the world was growing old and with it ourself. We have great respect for venerable things. have great respect for venerable things. dollars they wish to invest in our midst, ficient courage, and walking up to the at Cincinnation Thursday on the financial We like the old folk. They are the con- let them start up manufactories, of different child, gasped in broken accents: "My condition of the country and gave an indimeeting link between the past and the pre- kinds, and with them bring in an energetic goodness, little girl, do you know what cation of his proposed policy in the future, sent. They unite sometimes two and three generations. We respect them for their age and reverence them for the good they age and reverence them for the good they age and reverence them for the good they are doing?" Little girl glances at her interviewer, and smiling contemptuously, replied, "Go away, I'll tell ma." Young ment of \$250,000,000 of the public debt age and reverence them for the good they life, and thereby make this peninsula what man appears horrified, but with a look of and the reduction of \$80,000,000 in taxahave done in the world. We never knew it was designed by nature to be, the home determination seizes refractory "young 'un" tion are alluded to, and he proposes ere there was any criminality in age. But, of civilization—the abode of kenest toil and by the shoulder with one hand, and with long to reduce taxation thirty millions old or young, we will wager a picayune, the Eden of the land. that to-day, we can beat the editor of the Democrat sticking type-at press-work, or in the performance of manual labor of any
