The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. To You. From Oak Hall.

The Samson of the Period.

Imperial power rests with the Farmer. The great freight corporations seek lim that they may take toll upon his ample stores. We traders seek him to take tur stuff. His staples are down, his face longbut why? No reason, while his dollar will buy so much The Oak Hall stock proves this. Our story for this spring is a tale of cheapness. Note these examples in Men's Suits:

Blue Flannel Suits, \$6.50, \$10.00, \$1200, \$15.00. They are all, except the lowest, all-wool and all fuil

indigo color. All-wool Black Cheviot Suits, \$8.50 and \$10.00. Black Corkscrew and Diagonal Worsted Suits, \$13.00, \$15.00, \$18.00, \$20.00, \$22.50, \$25.00, \$28.00, \$30.00. Brown, Wine, Blue and Dahlia Worsted Suits, \$15.00, \$20.00, \$22.50, \$25.00, \$28.00. Just so through all the stock, the three great EEE's, Elegance, Excellence, Economy, prevail.

Pleasures of the Imagination.

Happy youngster. A chair, a box, half a dozen big books, bits of cord and cork. Papa's cane, Mamma's aquarium, and a vivid imagination, supply all his needs Neither Rangeley trout nor Saguenay salmon can so delight the expert angler. Imagination has joys and limits. It will not make a dear thing cheap nor an old thing new. Real wants demand real supplies, and this fact underlies the great Oak Hall Million Dollar investment in Clothing and Cloths for Men and Boys. Real Bargains must

be facts-hence the Oak Hall system offers only Bargains. For Boys the stock is big. Large Boys' Suits, \$5 00 to \$18.00. Small Boys' Blouse Suits, \$3.50 to \$12.00. Sailor Suits, \$2.50 to \$6.00.
