Dear Sir:--I want to say a few words in behalf of the Quick Meal Steel Range which I purchased of you a few weeks ago. It is a No. 1. baker, a quick heater, and draws nicely. It is even a nice stove to sit by. It will when done well as a set stove. It burns wet, green wood better than any stove I ever saw. In fact, it gives perfect satisfaction in every respect. I find it all you told us it was. I can hardly tell you how well pleased we are with it. If I knew I could not get another, no price any-Yours respectfully.
