per's Weekly. After brushing away the dust with which both parties have tried to obscure the real issue in that State, he says:
"In the Louisiana matter the equities of the case are not upon the Democratic side. The Democratic ought to confess frankly that they have attempted forcible revolutions of Senator Thurman as a member of the electoral commission, on the confess frankly that they have attempted forcible revolutions of the electoral commission, on the Electoral count. The Republicans called for the yeas and nays, but the House by yeas 130, nays 109 voted a recommission, on the Electoral count. The Republicans called for the yeas and nays, but the House by yeas 130, nays 109 voted a recommission in the Commission of the electoral count. The Republicans called for the yeas and nays, but the House by yeas 130, nays 109 voted a recommission is now being settled.

No other country in the world could have been easily avoided by a little forethought. What began with a slight fracture, or perhaps even a careless exposure to disorganizing influences, ends in the complete wreck of the life-boat. The disease which began with a slight headache or an undue exposure to disorganizing influences, ends in the complete wreck of the life-boat. The disease which began with a slight headache or an undue exposure to disorganizing influences, ends in the complete wreck of the life-boat. The disease which began with a slight headache or an undue exposure to disorganizing influences, ends in the complete wreck of the life-boat. The disease which began with a slight headache or an undue exposure to disorganizing influences, ends in the complete wreck of the life-boat. The disease which the prevention of the event of the eve that they have attempted forcible revolution in that State, and pleval that Republic can mistrule was intolerable and justified in. They cannot carry water upon both should can. State and the will of the people. To say this initialistion, and insist that they are representatives of law and order, of home rule. The general cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the country, and if the people of the Universal cector of the Captal of violence and fraud in a State charges of violence and fraud in a State charg
