LOOK AT HOME. Should you feel inclined to censure Faults you may in others view,

Ask your own heart, ere you venture,

If that has not failings too. Let not friendly vows be broken, Rather strive a friend to gain;

Many a word in anger spoken, Finds its passage home again. Do not, then, in idle pleasure, Trifle with a brother's fame;

Guard it as a valued treasure-Sacred as your own good name. Do not form opinions blindly-Hastiness to trouble tends;

Oft become our warmest friends.

"I'm game to do it,' says Billy Johnson, "any time you like."

You see, this is how it was. We'd got coil or rope and went in at the benry door, a weathercock a-top of our church spire at to come out soon after on the top of the High Beechy; and it was a cock in real tower, and then, with one end of the rope seems as if all my blood was rushing into bragging after. At all events, the weatherearnest, just nke the great Dorking in Farmer Granger's yard; only the one on the shoulders, he went to one edge of the eight.

Take up a spaderur of a buck load of the rope again to Joey: "If Parson didn't oil that loam; who can guess what it holds? But loam; who can guess what it holds? B spire was gilt, and shone in the sun quite sided spire and began to climb up from close to his ankle, but do anything more weathercock, who did?'

groan was enough to alarm the nighbor- The whole of the village turned out in a "Come down!" cried a voice below who has none of her own is best and hapa' mercy! the way it would screech and soon be at the top.

attempt to establish their position by de-

Parson said it was too much, and consulted churchwarden Round, who said "No, not much," said Billy, as we words of encouragement to Joey who did not say a word, and the climbing the pound, and then to a sovereign; for likes you, we were too sharp for him at High Beechy, and suspected that all he wanted was the money, when, you know, we couldn't have made him go up, at least fast look of free."

The weathercock went on squeaking then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing then awfully, till one afternoon when we were out on the green with the ericketing the problem of the sund for making little nuistakes, but the mother knows out of her great expectation to the loop-holes in did not say a word, and the climbing day by day. All things are lowing then the loop in the mother knows out of her great expectation to the imbiguity of the mother knows out of the mother knows out of the mother than the limbing did not say a good on the total the problem of the mother knows out of the mother than the mother had they day. All things are lowing then the mother knows out of the mother than the loop in the mother had they day. All things are lowing then the mother had they day as the mountains burn, shower that they give the the lond of the time; that they

WHEN a girl begins to take an interest.

had been bending was too great, and he single thread with which the spider spins trian; while the drunkard, the gambler, or laid up with the rheumatism, he is apt to "DARLING, it's bed time; all the little "In't recover himself, swung away by its web; so that what we call the spider's the prostitute is not deceived by such a think that the entire number has struck chickens have gone to bed." "Yes, mamme
