The people are justly opposed to it, and it is quite certain that they are going to have their wishes in this regard respected. Even now it is not too early, as one of our Democratic exchanges, the Salis- To the Democratic Voters of Caroline bury Advertiser, observes, to bear this fact in mind. It is better not to forget century been a true and loyal Demothat the old order changeth—an old crat, I have never before asked for even order which once looked with a tolerant now announce to you that I aspire to be eye upon wastefulness, down at the State | your next County Treasurer. I will feel capital, biennially. Promises of places, deeply grateful and highly honored if in the former generous number, are not primaries this year and nominate me at all likely to be fulfilled. Democratic | candidate for the aforesaid office to be governors have pointed out that many voted on at the November election enthousands of dollars may be saved and the people are going to insist upon this

A proposition, says the Baltimore Sun, which should interest and appeal to the whole country, and which is of vast importance to Maryland, was contained in In the Circuit Court for Caroline Counthe suggestion, made nearly two years ago by Mr. William M. Elliott, of Baltimore, that the Government should create and filed in the above with the PERSONALTY. a national forest park between the Dis- ratified and confirmed unless good cause trict of Columbia and the Patuxent river to the contrary be shown within thre and along the upper Potomac in the ward the realization of this fine thought published in Caroline county, once was taken soon after Mr. Elliott made the 10th day of February, 1913 his suggestion by the introduction in the Senate of a bill by Senator Smith, of True copy—Test:

J. KEMP STEVENS, Clerk. Maryland, providing for the purchase of such a reserve by annual appropriations of \$500,000 for four years.

The Maryland Agricultural College is to be built in a new location. Strong influences say the change should be made. It should be located in a section where agriculture is progressive, we think. There are several sections where farming and filed in the above entitled cause, be ber, one grindston is making rapid advance. Our county ratified and confirmed, unless good cause lege, certainly. There is no doubt about provided a copy of this order be inserted | the estate of Mrs. Annie E. Ringgold: that. The census tells us this fact, in some newspaper, printed and published in Caroline County, once in each of which indeed is generally acknowledged.

It looks as if the Standard Oil Company and the other large oil companies were inviting governmental regulation when they put up the price of gasoline from 9 °0 17 cents a gallon in six months. Much uneasiness is felt by all consumers of gasoline and there are fears that the from the Orphans' Court of Caroline action of the oil men will discourage and county, in Maryland, letters of admin injure the big automobile business .-

Opposed to trust-made tariff, watered deceased are warned to exhibit the same, stocks, money corners, and other similar big ills which have afflicted the people so long, President-elect Wilson, eager and quite able to fight them, becomes more popular every day. The new head January, 1913. of the government, soon to take office, not only has good plans in mind, but he has them "on a war footing."

Maryland autoists must obtain new District of Columbia licenses at the same rates that residents of the District pay in Maryland, and from now on are subject to arrest for entering the District without a District license. The board of commissioners signed the amendment to the police regulations several days ago and it went into effect at once.

There comes a time in the history of to buy a small place with water front. Improved with dwelling or with suitanearly every town when a stagnation and ble site for building. Price must be consequent loss impends-until the bus- reasonable. Write full particulars to iness people generally take hold of the R. L. WRIGHT, 612 North Gilmore St... situation and give a start to the wheels of trade: Will the people of Denton fail of the duty of the present time, now pressing upon them? We think not!

Senator Smith's bill authorizing a preliminary survey of certain swamp lands in Maryland, with the purpose of having the lands reclaimed, is bearing fruit already in Senator Jackson's bill to start the actual work, for which \$100,000 is to be appropriated.

After years of political tribulation suffered by the little Diamond State we can to do some traveling. Good opportuniagain eongratulate Delaware on the elec- ty for right man. Apply at Journal tion of an able Democrat to the United omce. States Senate. May the fair fame of the 117.

If public opinion is to be an influence for good, if it is to be helpful, it must itself be intelligent, clear and pure. -Ex.
