VESTMENTS. County Commissioners give notice that up until Tuesday, August 19th, they will receive bids for \$35,000 worth of bonds the best foreign roads are not better than the best American roads. There are of the county. These bonds afford a very good investment, in sums from \$1,000 the best American roads. There are simply more of them. That is the difdollars of such money out of present use, in our county. It would be better for the county without doubt were all of its 2,250,000 miles, to the improvement of outstanding bonds held by local capital-The holder of a county bond has a more watchful eye over public affairs. Most ed the American Road Congress at Atlantic City, the American Road Buildof our bonds already issued have been less continue to be so held until paid off.

But it is pretty certain, that the desira But it is pretty certain that the desira-bility of such security has escaped very bility of such security has escaped very and are very instructive and beneficial. many investors who now may buy some The problem of modern road building
