Mr. Goslin performed a distinct public service in securing the passage of this measure. It means much for the travelers of Maryland and almost every section of the State.

Local Democrats are interested in the prospective judicial primaries wherein dominate in Caroline.

Uncle Sam is thinking about building a turnpike from ocean to ocean, and nearly every autoist in the United States, as well as many others, are expected encourage him in the undertaking.

flowed its banks, destroying a million ters, as many will learn." dollars worth of property and rendering ten thousand people homeless.

RAISED THE STANDARD.

Baltimore Snn. sembly enjoys the distinction of having | Shore is rapidly returning to the culture dealt with big issues and deserves credit of fruit trees. Something like six for what it has accomplished. The two thousand young trees will be set out in most splendid achievements of the session which is evidence of a long stride forwere the passage of the Hopkins Tech- ward for one year. Bearing an average Price-Campbell Oyster bills. Both these | tree this means a fruit crop of more than measures might truly be said to aim at the development of the natural resources of the State, the former at the intellectual, the latter at the physical. It required the county." intelligence and breadth of view to appreciate their value; it took courage and firmness to overcome the forces of prejudice and ignorance which opposed

Next in importance comes the group of political reforms, such as primary and election laws and the City Charter. As was to be expected in the case of measures whose intrinsic merits are subject to different appreciation, according to the partisan bias of the person who considers them, the character of this group bills is not so generally satisfactory a the Hopkins and oyster measures. But the Legislature evidently endeavored to do the right thing as it saw it and to live up to pledges. In the abolition of the trick ballot in the Wilson law counties, | Com Counties in securing direct Presidential and Senatorial primary legislation and a Corrupt Practices act, we believe that a distinct step forward has been taken. The Senators and Delegates of the 1912 Assemthe knowledge that they have on the whole raised the standard of Marylan legislation.

-Judge Atkins to be Chief Judge. From the Easton Star-Democrat.

If common justice is to prevail over a far-fetched claim of political expediency, if positive right is to be preferred to cold political deals, and if experience and fidelity are to receive their just rewards in spite of worldly ambition for political preferment; if these thingscommon justice, positive rights, experience, and ability-are to prevail, then that justice which is sought and expected to be found in the high court of enlightened public opinion, and which we believe will be found in the purposes and desires of the people in the Second Judicial Circuit of Maryland, Judge Adkins will be the next chief judge of this cir-

COURTESY CAREFULNESS CONFIDENCE

These are Hochschild, Kohn & Co. watchwords. For nearly fifteen years we have worked unceasingly to strengthen the bonds of confidence between store and customer, through courtesy and carefulness of service. And our nearly twelve hundred assistants have been selected and trained to help us hold your confidence through their courtesy and carefulness.

Other things being equal, don't you prefer to deal with a store that is courteous and careful—a store in which you have unbounded confidence?

Baltimore's Best Store is very beautiful and inviting this spring. It has been greatly enlarged since last year—its stocks are more varied than ever-its facilities for serving you are vastly improved.

Whatever you need, for wear, for the home, or for gift purposes, is here—at prices which stand the most rigid test of comparison.
