### EDITORIAL NOTES.

So far only 402 of the 1,094 delegates to the Baltimore convention have been elected, says the Baltimore Sun. The largest delegation, that from New York, is uninstructed, and no one knows for whom these 90 votes will be cast. The Tammany leaders are said to favor Harmon, while Senator O'Gorman is for Wilson. New York's vote may be cast for Gaynor on the first ballot. The New York Herald, after a canvass of the entire country, reports that Clark is making considerable headway, but that Wilson "still stands first as the popular fav-

### To the Democratic Voters of the Second Judicial Circuit of Maryland.

On next Monday, May the 6th, between the hours of 8 A. M. and 6 P. M., the Democratic voters of this Circuit will, by their votes, select a candidate to the office of Chief Judge. For this high honor there are two aspirants, one is Wm. H. Adkins, Esq., of Talbot County, an associate Judge of this Circuit, having been elected in the year 1907 for a full term of fifteen years, and now having an unexpired term of eleven years to serve.

The Constitution of Maryland provides that the Governor shall fill any vacancy occurring upon the Bench. As you know the present Governor is a Republican, and, of course, would fill any vacancy by the appointment of a Republican lawyer. Therefore, in the event of the nomination and election of Judge Adkins he necessarily would have to resign as associate Judge and Gov. Goldsborough would, of course, appoint a Republican to succeed him.

Does this program appeal to the Democratic voters of this Circuit who elected Judge Adkins to the high office which he now occupies and in which he has eleven years to serve? Such being the result of the election of Judge Adkins to Chief Judge, wouldn't it be safer and sounder from every Democratic standpoint, all things being equal, to guard against such a contingency?

By voting for a man who has had seventeen years active experience and practice in the Courts of this and other States?

By voting for a man who is every way qualified to fill with credit the office to which he aspires.

BY VOTING FOR A MAN WHO HAS THE ABSOLUTE AND WELL MERITED CONFIDENCE OF PRACTICALLY EVERY MAN IN HIS OWN COUNTY, REGARDLESS OF PARTY.

This man is the other candidate for Chief Judge of the Second Judicial Circuit, and should merit the confidence of every DEMOCRATIC VOTER in the Circuit.

If you, Democratic voters of the Second Judicial Circuit, think so mark your (X) opposite the name of Albert Constable of Cecil County for Chief Judge of the Second Judicial Circuit.

Published by the authority of Allen D. Price, Political Agent.

# Hon. Wm. H. Adkins for Chief Judge

It would seem, at this time, altogether fitting and proper for us, the undersigned, members of the Caroline County Bar, to heartily and sincerely endorse the Hon. William H. Adkins for the Chief Judgeship of the Second Judicial Circuit.

There is nothing, whatever, personal in our action, nor do we, in any way, mean to reflect upon any other candidate.

Judge Adkins has had six years experience on the Bench; his public record at nisi prius, and the sterling private character displayed to us in our more intimate dealings with him, entitle him to the promotion.
