Resolutions were adopted claiming prove of interest:

"The winter wheat of the bold and lend a beloing hand" while the claims of Hon. William T. will take hold and lend a helping hand toward bringing about that thorough and satisfactory organization which that ex-Gov. Philip Francis Thomas that ex-Go

say that Democratic success will give assurance of true reform in the civil Louisiana, which were given to Hayes, belonged to Tilden. Leaving out of the Riccional Company of the Riccional Com service, the ultimate reduction in public expenditures, and the adoption of just and liberal policies of the currency which no honest man will deny to have been stolen, will take up Louisiana. As to thi. State the Potter Committee frant will probably be the Republican eanditate, and his candidacy will signify a strong government, always prepared to hold the people in control.

Which no honest man will deny to have been stolen, will take up Louisiana. As to thi. State the Potter Committee has clearly proved:

Trand whereby the certificates of election were given to the Hayes electors in the said States was a violation of public duty, and betrayal of trust reposed in them; and endorsing and approved:

That a conspiracy was entered into by certain Republican leaders, the object being to hold no election in East object being to hold no election pared to hold the people in control.
