THE FENCE QUESTION

SOLVED AT LAST!

THE undersigned beg leave to inform L land owners and the public generally that they have bought the right to manufacture and sell the

"EMPIRE BARB WIRE FENCE," take orders for and put up the same in any part of the Peninsula. This fence is very extensively used

in the West and Southwest by railroads, farmers and stock-growers, and gives satisfaction, because Cheapest Fence hat can be made-first cost being no more than

white pine board, and it is good for 60 or 75 years It is in no danger from fire-being composed en-Iron and Steel.

Storms nor floods cannot affect it, as it presents so little surface to their force. It affords no shel-

in the extra amount of produce grown on the ground that would be taken up by a worm fence or osage hedge. It is a SAKE fence, there being no

STOCK BEING IMPALED.

as they frequently are by sharp-ended rails, broken

boards, leaning stakes, &c., and the barbs being so

short that should they come in contact with our wire it will prick the skin and turn them back without injury. It is reliable, breachy stock turned in a field enclosed with it will always be found there Wrought Iron Posts

with a spiral screw, (coated with a preparation to prevent rust,) by which they are screwed in the ground where they are anchored by 20 inch anchors

to the posts we attach steel barb wire, making an Orders for fence for fields, yards, gardens, cemeteries, private grave yards, or for other pur the market.
