Diamond Bone Phosphate

Peach Tree Guano

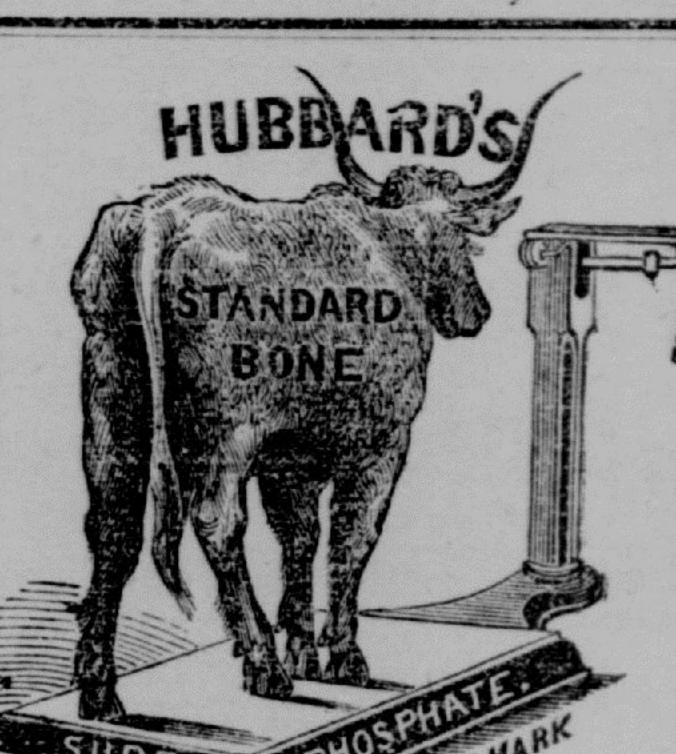

THE undersigned, at their Phosphate Works at Marydel, Caroline county, Md., are now prepared with greatly increased facilities for manufact uring their DIA. MOND BONE PHOSPHATE in large quantities, and can fill all or ders at very short notice. We claim that this goods is made from the best material, hence we guarantee it strictly pure. Its basis is Animal Bone, made thoroughly soluble, and for all crops has always given entire satisfaction. It has been tested side by side with all the market. We use no dirt or other worthless matter and assure the farmers that we are offering for sale a better article of FERTILIZER for this Spring's crops than has ever been offered to the public for the same money. It is carefully prepared for Pels' Ladies' \$2.50 Button Boots | the DRILL, is fine and dry, and passes through the orifices with uniform regularity. We are also manufacturing a PEACH TREE GUANO. This goods combines the elements that Peach Trees require, and is one of most concentrated fertilizermanufactured-uniting the stimulating properties of Peruvian Guano and the fertilizing qualities of Lones. This goods has been approved and endorsed and is extensively used by the largest Peach Growers in the country as a superior quality of Peach True Guano. After an experience of several years our DIAMOND BONE PHOSPHATE has been approved and endorsed and is extensively used by the
