## Choptank Phosphate Works.

I ask the privilege of calling your attention tomy Fertilizers and Fertilizer Works at Denton Caroline county, Md. My object in manufacturing the below named brands of Fertilizs to supply the farmers of this community, who will favor me with their patronage, with the best manure We cannot bear to have any that can be had and at prices in proportion to the low price of wheat. I have had considerable experience in handling Fertilizers, whereby I have obtained knowledge of the materials from which it is we have had an opportunity to your phosphate from a home manufacturer, where you will be sure of receiving what you buy and at I have bought the White & Dunning Canning House at the Bridge, and will use the entire building

in the manufacturing of my various brands of phosphate. My goods will be sold under the following

SPURRY'S AMMONIATED BONE PHOSPHATE.

This brand is prepared from Pure Animal Bones, Dried Blood and Flesh, and Sulphate of Potash. I shall endeavor to make my reputation upon this brand, and I am confident of success, as I have my goods already prepared, and they are No. 1 in the full sense of the term. All I ask of you is a single trial of this manure, and you will always speak in its favor. My second brand is called
