Washington College.

The next session will begin Wednesday, September 28, 1887.

THE Agricultural Mutual Aid Society.

OF CAROLINE COUNTY.

EXECUTIVE COMMITTEE.

C. E. JARRELL, President. JAMES SWANN, Secretary.

Directors.

C. E. JARRELL, Hillsborough. L. H. GADD, Preston.

Reasons for Becoming a Member of this Society.

First—It is a home institution and purely mutual.

Second—Every person insured in this Society at once becomes a member.

Third—After you have been a member for 20 years all interest arising from the reserved fund will be equally divided in the form of a dividend.

Fourth—Should you live out your expectation of life the amount of the fund which will be paid in cash just the same as if death had occurred.

Fifth—By our plan of working you keep the money in your pocket until death occurs.

Sixth—You pay but a small amount at a time. It gives its members advantage of life insurance at a small cost.

Seventh—The age when a person becomes a member remains his assessable age during life.

All persons either male or female, between the ages of 16 and 60 years, and as such have access to all the books and accounts of the Association, can see and judge for themselves of the progress of the Society.

All persons who have been members for twenty years, in good standing, shall share equally in the interest derived from the reserved fund. This dividend will be declared annually. It is fully expected that this dividend will be sufficient to keep the policy in force thereafter.

It is the intention of the company to keep this strictly a Rural Pension and Life Company. The company has been in operation for more than nine months with but one death among the members. This seems to be an evidence that the officers are using care in issuing policies.

C. E. JARRELL, President. JAMES SWANN, Secretary. 723 1/2, Denton, Caroline Co., Md.

THE GREAT DEALER.

John K. Cowen, the attorney for the Baltimore & Ohio Railroad has been all the past season trying to make a "deal."

The Board of Directors of the Talbot Fair Association met on Tuesday and appointed a committee to go to Washington and invite President and Mrs. Cleveland to visit the State and county fair to be held in Easton September 29-30.

The report states the amount of sales to be \$50,000.

\$8 PER TON

FOR Pure Ground Shell Flour. A GOOD PHOSPHATE ALONE.

When Mixed An Excellent Substitute for Bone.

ONLY \$8 PER TON AT FACTORY.

HEAR WHAT IS SAID OF IT.

Orem & Co., Cambridge, Md. Gentlemen—I have used pulverized oyster shells on all crops, and with the following results: On wheat I used about 200 lbs. to the acre, and used it by the side of other fertilizers, that cost about three times as much as the ground shells, and found the shells fully as good as any I used, and the grain when threshed was a better quality and turned out more wheat to the land where shells were used than it did where the high grade phosphate was used.

CLINTON COOK, Agent, Denton, Md.

This is to certify that we have used Ground Oyster Shells and find them to be a most excellent fertilizer for grass and corn, and find the wheat from it heavy and of superior quality, and improved in the quantity of yield.

Or, C. N. OREM & CO., Cambridge, Md.
