To ask for Ayer's Sarsaparilla, if you are in need of a Blood-purifier - the only certain and reliable remedy for pimples, blotches, and all other eruptions of the skin. As an alterative, Ayer's Sarsaparilla,

after a trial of nearly half a century, is universally conceded to be the best ever discovered. It is agreeable to the taste, and, being highly concentrated, only small doses are needed. An old lady of eighty, Mrs. Mary C. Ames, of Rockport, Me., after forty years

manifesting itself in Erysipelas and other distressing eruptions on the skin, at last began the use of Ayer's Sarsaparilla, and, after taking ten bottles, she is now, she says, "as smooth and fair as ever." Leander S. McDonald, of Soley st. Charlestown, Mass., suffered greatly from Boils and Carbuncles, and for nearly two months was unable to work. A druggist advised him to take Ayer's

Sarsaparilla, after using two bottles of which he was entirely cured. He has remained in good health ever since.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1; six bottles, \$5.

That this factory makes the popular and worldfamed Climax Plug, the acknowledged standard for first-class chewing tobacco.

That this factory was established as long ago That last year (1886) it made and sold the enormous quantity of 27,982,280 lbs. or fourteen thousand tons of tobacco.

That this was more than one-seventh of all the tobacco made in the United States notwithstanding that there were 966 factories at work. That in the last 21 years this factory has helped support the United States Government to the extent of over Forty-four million seven husdred thousand dollars (\$44,700,000.00) paid into the U. S. Treasury in Internal Revenue

That the pay-roll of this factory is about \$1,000,-000.00 per year or \$20,000.00 per week. That this factory employs about 3,500 operatives. That this factory makes such a wonderfully good chew in Climax Plug that many other factories | Medford's at 2 p. m., Cambridge at 5 p. m., have tried to imitate it in vain, and in despair now try to attract custom by offering larger

pieces of inferior goods for the same price. That this factory nevertheless continues to increase its business every year. That this factory belongs to and is operated by Yours, very truly,
