Democratic Ticket.

FOR PRESIDENT OF THE UNITED STATES. GROVER CLEVELAND, OF NEW YORK.

FOR VICE-PRESIDENT OF THE UNITED STATES. ALLEN G. THURMAN, OF OHIO.

ELECTORS AT LARGE. JAMES HODGES, HENRY PAGE.

DISTRICT ELECTORS. W. SCOTT ROBERTS, JAMES G. BARRETT, WILLOUGHBY N. SMITH, L. CORHAM MOALE, E. C. COOMBS, HATTERLY W. TALBOT.

FOR CONGRESS. CHARLES H. GIBSON.

THERE is no voter in the land who will fail to applaud the administration of Grover Cleveland.

There are many partisans, however, who have not the courage of their convictions, and the President is to be re-elected by Democratic votes.

Many pleasant and patriotic gatherings are reported from various parts of the country.

THE Era mentions the name of the Rev. Alfred Smith, of Cambridge, as a possible Congressional candidate from this district.

There are several thousand acres of unutilized land in Caroline county in which fortunes may be found.

That able Republican journal, the New York Commercial Advertiser, puts and answers the question thus pointedly:

"What are we—the people of the United States—going to do about it? We will tell you plainly, gentlemen, monopolists, who desire to tax us for your enrichment, and to make of yourselves our aristocratic rulers.

"He announced himself as believing that a coolie from the slums of Hong Kong was as good as a citizen of the Green Isle or the Fatherland, and he wanted them admitted to compete in the open market of labor.

"The President's Patriotic Words. The committee appointed by the Democratic National Convention to officially notify President Cleveland of his nomination, performed that duty at the White House on Tuesday afternoon of last week.

"I cannot but be profoundly impressed when I see about me the messengers of the national Democracy bearing its standard of Freedom and Justice.

"The improvements are large. Two-story houses with large cellars, in excellent order, and said to be the best farm house in the county, with

"USUAL OUTBUILDINGS, in fair order. TERMS OF SALE. Five thousand dollars in cash on the day of sale, and the balance in two equal payments of twelve and twenty-four months from the day of sale.

"Peach Trees. Three years old, and 1,000 trees in an orchard. The improvements are large. Two-story house with large cellars, in excellent order, and said to be the best farm house in the county, with

whom it belongs and become a perversion of all it ought to be; but I did not know how much its moorings had already been loosened. I knew, then, that the only device for the successful operation of the government by the people and for the prosperity of the people and for the safety of the people was to have the management of public affairs, but I did not know their numerous forms nor the tenacity of their grasp. I knew, then, something of the bitterness of partisan obstruction, but I did not know how bitter, how reckless and how shameless it could be. I knew, too, that the American people were patriotic and just, but I did not know how grandly they loved their country, nor how noble and generous they were.

"I shall not dwell upon the acts and the policy of the administration now drawing to its close. Its record is open to every citizen of the land.

"And yet I will not be denied the privilege of asserting at this time that in the exercise of the functions of the high trust confided to me I have yielded no allegiance to the constitution and to the solemn obligation of my oath of office. I have done those things which, in the light of the understanding God has given me, seemed most conducive to the welfare of my countrymen and the promotion of good government. I would not if I could, for myself nor for you, avoid a single consequence of a fair interpretation of my course.

"It remains for me to say to you, and through you to the Democracy of the nation, that I accept the nomination with which they have honored me, and that I will in time signify such acceptance in the usual manner.

When you come to the city bear in mind that Wanamaker's is a meeting and resting and waiting place as well as the biggest store in the world.

There are reading and sitting and retiring rooms for you; telephone, telegraph, and mail facilities. Your parcels will be cared for without charge. We try to make you welcome whether you care to buy or not.

You know that there is no worthy hot weather (or any weather) thing for wear or home use but we have it. If you can't come to the store, write for whatever you want, samples or goods. Shopping by mail has come to be simple and certain. A few scratches of a pen, and all the facilities of the store are yours.

HAIR NEGLECTED Soon becomes dry, harsh, coarse, and full of dandruff; it loses vitality and turns prematurely gray, or falls out rapidly and threatens early baldness.

Ayer's Hair Vigor—the best preparation for the purpose—will preserve the hair in all its luxuriance and beauty to a good old age.

Frederick P. Coggeshall, Bookseller, 31 Merrimack St., Lowell, Mass., writes: "Some six or seven years ago my wife had a severe illness, in consequence of which she became almost entirely bald, and was compelled to wear a wig. A few months since she began to apply Ayer's Hair Vigor to the scalp, and after using three bottles, has a good growth of hair started all over her head. The hair is now from two to four inches long, and growing freely. The result is a most gratifying proof of the merit of your admirable preparation."
