HOWARD MELVIN, EDITOR.

SATURDAY, JUNE 1, 1889.

The Democratic County Central Com-House, Denton, on TUESDAY, JUNE 4. 1889,

POLITICAL NOTICE.

eration of matters of general party con-cern. ENOCH GEORGE, Chairman.

seven years old Thursday. Although so, far better, my friends, is an honornearing three-score-and-ten the Chroni- able defeat in an honorable cause than cle wears none of the habiliments of a corrupt victory by dishonorable means.

ing not disguiseed to any one. There raising aloft our fallen standard until is no agency which works such benefits we shall conquer before the integrity to the people. In this respect the peo- and intelligence of the country. You and abroad, is represented in ple of Kent county are to be congratu- cannot suppress it; it is a principle that our stock of Clothing. lated on the fiftieth anniversary of that will not retreat and will not surrender; excellent journal, the News, of Ches- it must be met upon the field, and there,

to overpower it, but with renewed IN THE FORUM for June, Senator Ed munds discusses the decay of political morals indicated by the increasing purchase of voters. He estimates the amount of money spent during the last campaign at \$5,000,000, and in his criticism he spares no section of the country and neither party.

FAITH in the local option law will not be shaken by the opinion of the grand' jury of Talbot county, given elsewhere be b in this paper. It is remembered that the following specifications, namely: Easton and several other towns of that feet road or drive way and a side walk 4 county furnish a large extra amount of feet wide, the bridge to be the same height business for the grand inquest by their as the old one except the end next to town numerous clubs, which are but tempor- 2 feet, the bridge to have the same numary nuisances.

DEPUTY FISH COMMISSIONER THOS. H. HUGHLETT, JR., has closed the Tuck- ches and driven well into the ground or ahoe hatchery and is taking the census of opinion among the fishermen of the on the top ends and to have a consill on the benefit derived from artificial means | the top of the piles, and the bridge framed of propagation. Nearly all who are up from that, with 60 posts, 8x10 inches, and of sufficient length for the required engaged in the industry here, so far as height, and to have tenons cut on each reported, believe that the Commission end, the bottom ends to be set in lower is doing a good work, that the business per ends there is to be a capsill 22 feet has steadily grown better for five or six long, 8x10 inches, mortised and pinned years and think that the annual State will be 14 capsills, the top one of which will appropriation of \$7,000 is wisely ex- be swung by king posts and braces from pended. It is noticeable that there has been a marked change of views in this floor timbers to be 3x10 inches and of Write for samples, respect within the past few years, and lengths to suit the different spans and shoul- logue, and self-measurements. it is gratifying to know that the good dered at each end 2 inches and long enough to lap over each capsill and be bolted or of the enterprise of the State is being spiked down; 10 joists to the span. The retiring rooms for visitors. practically demonstrated.

WHAT do the people want? Above everything else they want the principle with a stringer, 4x8 inches, running the proclaimed that when public offices whole length of the bridge over the seam or are to be filled the best men of the joint where the planks come together, to be best character should be pressed to the ustrades, one on each side of the bridge and front, and men of no character relega- one to divide the drive way from the side ted to the rear. They want a ticket walk, the same to be 31 feet high from the floor, 5x6 inches, with tenons on each end, nominated for the Legislature that will the lower ends to be let into the floor and candidates when chosen will represent the people's will and owe their choice to the people and no one else.

THE DEFEAT last fall of Hon. Isidor money furnished by monopolists has in no way discourged his hopes for the continued'supremacy of the party in that | joists or floor timbers are to be 3 by 9 inches, district of the city. His speech in 12 feet long, shouldered 2 inches at each Ford's Opera House last week was a span. The floor is to be of boards 2 inches powerful petition for party unity and thick, 16 feet long, and nailed down, the side, and lands of John Horsey, Esq., on strong nominations.

speech. He said in substance that the pinned on the top of the balustrades. The never failing to grow fine crops of wheat, to elect a United States Senator would | county commissioners before any money | tifully located on Tuckahoe River, selection to the Eastern Shore, to which division of the State the office which division of the State the office the building of four new bridges in the good fishing shore on this farm. The araby law and custom belongs.

ways when we were wise met the public sentiment and made changes in the mode of selecting candidates. After to be 24 feet long with two spans, three tiers of piling, five piles in the end tier and four in the centre, to be well driven in the the defeat of the Democratic ticket in the timber to be the same size and to be usual outbuildings the defeat of the Democratic the Belliotetation of the Democratic three defeat of the Democratic three are same manner as per specifications in the one named for Fowling Creek. This offering gives a rare opportunity to those desiring to obtain a beautiful home and a profitable investment, the sale being for the purpose of division, and parties are arable to the defeat of the Democratic three defeat of the Sale of the Sale of the Sale of the Sale of three defeat of the Sale of the Sale of three defeat of the Sale of the Sale of three defeat of three defeat of the Sale of three defeat of t tem of making party nominations, and the whole party machinery was put into the hands of the very men who had beattem of making party nominations, and to be built in the ordinary manner of building such bridges. The lumber all to be of the best White Oak, and the work to be completed and accepted by the County session will be given January 1st, 1890, en the party ticket only one year before. Com But we were patriots and preferred the The contractor or contractors for the large fall. success of our party and its principles bridges will be expected to fill up the to the gratification of our personal wings at each end of the bridges with earth. revenge of our selfish ambitions. That year we carried the city for Governor | may 25 by 7,763 majority, though the ticket had been beaten by 10,000 majority in 1882. Then, too, was organized the Young Democratic Association, headed by John E. Hurst as president. Its hath been appointed trustee to sell the real declared object was to promote good county deceased. All persons having by the bond or note by the purchaser, with security approved by the trustees. government; to watch registration, to claims against the said deceased are hereof our municipal government and make of our municipal government and make wills for Caroline county, on or before efficient public criticism on it, and in case of emergency to nominate candi- to take their dividend on the proceeds of dates for city offices and the like of the sale of the real estate of said deceased, them.
