A REAL LUXURY! Looking over the many homes of this country, we see thousands of women wearing airy dresses in household drudgery that might be materially lessened by the use of a few cakes of SAPOLIO. If an hour is saved each time a cake is used, if one less wrinkle gathers upon the face because the toil is lightened, she must be a foolish woman who would hesitate to make the experiment, and he a foolish husband who would grudge the few cents which it costs.

THE CHOICE OF A MAN. You see your choice, dear, and take your stand. Wealth and fame will be yours, as you stand. The world would have had its reward from you. But you turned from it. Do you now do as you please? What could have given you an out-gate. But poor and unknown, it is now too late. Ah! but I know what you might have done. Have stayed your seat on the state was won. Have led, and cleared, and fish in shame. In the eager race for riches and fame. Though none may know it save you and I. You let the world and its money go. I had, my darling, you're greater now. Unknown, unnoticed, than if your brow Were bound in laurel and bay, for you Have fought the fight, and tried and true. You smile as you watch the gain and the cost. My love you've kept, and the world you've lost. Academy.

HE WASN'T QUITE REAL. A Man Who Couldn't Join the Fold. He Had Whipped Abe Brindle. During a revival the minister noticed that a young man named Hank Boyd had begun to make down under the apparent conviction, approached him and asked, "How do you feel?" "Oh, middlin'."
