BRIGHT DEMOCRATIC PROSPECTS.

The prospect of Democratic victory in the coming presidential contest is very encouraging, according to the best political authorities. Only by SATURDAY, JULY 2, 1892. trading was the Democratic nominee, who really got nearly a hundred thousand popular majority, defeated in '88. This trading was done in the city of New York. There is no possibility that such traders and trimmers will cut such an important figure in the present campaign. The New York World sums up the situation thus: I. The country is now with Demo-

crats upon the main issue of the canvass-tariff reform. Four years ago the question had been too recently precipitated upon to the voters what high protection quarters will be modestly opened here at 65c.

1890 the anti-Republican majority was over 1,300,000, Last year the im- ed to assent to the requests made to 50c from 75c. portant typical States of New York, him from all sides and will accept the Massachusetts and Iowa repeated their chairmanship of the canvass. He will Japanese Wash Silks.

To use a legal simile, in 1888 the man of the campaign committee Mr. Wanting. II. The Republican record is the politicians it would be hard to find. Republican platform, and the record condemns the party.

What was Democratic prophecy

in 1888 is now actual history. The taxes have been increased. The surplus has been succeeded by a deficit. him 20,000 more and the other Demrewarded and partisan tools advanced than 70,000 majority."

"There was a combination formed," III. The Force bill has arisen as a "There was a combination formed,"
