MELVIN STEELE & JOHNSON,

EDITORS AND PROPRIETORS.

EDITORIAL NOTES. A writer in the Easton Star-Demo-A writer in the Easton Star-Democrat says: "The political mind of today seems to possess but one idea bearing upon the success of a candidate for political preferment, and that is he must possess large means. This idea (no matter how deeply rooted) can be eradicated by self restroy-making session, for the passage of the Isthmian Canal bill and the Philippine Civil Government bill will probably be followed by far-reaching consequences. The appropriations at this session aggregate \$927,000,000, and in the matter of expenditures the Fifty-seventh conditions are considered among the land recorded among rooted) can be eradicated by self respect. Put up a man of untarnished character, undoubted ability, and a while \$927,000,000 is an enormous occurred in the terms and conditions of the undersioned assigned between the hours of 2 and 4 o'clock p.
