Satisfaction.

There is a great satisfaction in a sale like that now in full blast at our store—satisfaction to our customers, satisfaction to us. It indicates that the public has faith in our statements, and in our Quarter-Century reputation for reliable qualities, reasonable prices and liberal methods.

We believe in the people—the majority are not unreasonable, but are honest and well-meaning, and only want to be fairly and square dealt with. Long experience has taught them that that is the treatment every one receives at this store.

They have learned to believe in the reductions we announce, and to reeognize them as opportunities to get genuine values in MEN'S, YOUTHS' and BOYS CLOTHING at an actual saving of money.

They know. too, that "MONEY'S WORTH or MONEY BACK" is our policy, and it gives them added assurance of the safety in dealing at this store.
