The more serious the Fresh New Things for Wear and Use

Thousands of Baltimore people are thronging the store every day, eagerly participating in the benefits of the greatest sale—both in its magnitude and its economy opportunities—that the city has ever known. We want our friends in the counties to

share in the "good things" that are here, and would suggest that a special trip to the store be made as early as possible. The saving on needed goods will average a full third—which means that \$15.00 worth may be bought for \$10.00, or even less. Easy to see, isn't it, that it will pay to come?
