-208 N. Howard Street-

We have acquired the building and the entire stock of the Chas. Simon's Sons Co., 208 North Howard Street next door to us.

This is not news to most of you—the papers told of the acquisition at the time it was made—some weeks ago.

The Simon business is the oldest retail dry goods business in Baltimore. It has an honorable past of 90 years—three generations.

It has always been a high-grade business—never an element of the sensational or the shoddy has entered into it.

By reason of the decision of the members of the firm of The Chas. Simon's Sons Co. to retire from business, there are opportunities to buy the fine goods for which the store is famous at much less than former prices.

Every course of action that has earned for The Chas. Simon's Sons Co. the good-will and respect of the public will be continued for time to come; every tradition that has endeared the store to its patrons will be preserved.

The sale will continue until the entire stock is sold—possibly a month. The child of seven makes obeisance to the patriarch of ninety—hand-in-hand they will go into the broad future together. HOCHSCHILD, KOHN & CO.
