possibility of enforcing the laws 300 square feet, two coats. It's a lie, as against corporations which have Devoe covers 300 to 500, our agents practically defied them when the think. We think 300 too low 500 too the corporation.

young officers marched shoulder to shoulder with the old soldiers who Smith & Walls, Denton, Md., sell our wore the gray, the United States paint. cruiser Columbia, sent to New Orleans in honor of the celebration, firing the signal guns.

Mr. John Edward Addicks, who some months ago was repudiated by his former lieutenant, J. Frank Allee, now thinks the scalp of the latter dingling to his belt would be very becoming. Mr. Newell Ball is proposed for State chairman in place of Allee.

Congressman Mudd, of the Fifth district, has been renominated, but Congressman Pearre has a contest! ahead of him, his competitor for the nomination being a son of the late Governor Lowndes.

An observer at Washington says Congressman Williams' attacks on the Republican tariff have flushed the whole party in Congress like a covey of partridges, and that they are in full flight.

According to a Washington dispatch Senator Gorman's condition is such that he will not be able to resume his Senatorial duties.

The Annapolis Republican wants laws passed prohibiting the sale of firearms of any kind to children under 16 years of age.

> -----TARIFF IDOLS.

Speaker Cannon has been smoked out of his tariff hole and forced to give a reason why the tariff should not be revised. He declared in a private letter to a trust pottery manufacturer, protected from competition by the tariff, that "the desire for a change which exists in the common mind will drive the Republican party, if continued in power, to a tariff re-1

ut it would have to come "in the not distant future." This letter having been published compelled Mr. Cannon to make a further statement 1906 saying that the amendment of a single schedule, or a few schedules, is "entirely impracticable." In his judgment "nothing can be done exsuch enormous election bribery funds tariff." That, he says, "would halt production, consumption and comsurance companies and other corporations of New York, as disclosed on the witness stand within the past be an improvement on existing law." year, and the legislature of that "For the general interest of the State is now about to pass a law compelling publicity in relation to campaign funds. The accounting promind" in its desire for change is

that New York will again become a will come, not through the aid of ated back and seat; green enampivotal State in the national election the unwilling Republican Speaker of 1908.
