Oh, yes, these conditions can be explained, have been frequently explained, and are well understood. The big trusts have the power, being | Biggest under the protection of the high Because tariff of the party in control at Washington, to put their fingers in every pocket in the country and are doing it. Every purse, however slender, is paying heavy tribute. This brutal extortion will continue and grow more and more oppressive until the people find relief by electing a Democratic Congress and a Democratic President.
