### Everybody is Interested in This Autumn Exhibition

Dressmakers, tailors with high-class clientele, women at large, husbands, fathers and brothers will feel interested in the exhibition. It is the quisite color effect and weaves to be seen and admired. It is an exhibition of unquestioned importance-no woman who cares for absolute accuracy as to fashion can afford to miss it.

### The Metal Tones Have Undoubted Lead in Suitings

Damascus gray and every other gray bordering on that. The color of a barrel of a fine gun is really the nearest similitude. There are hundreds of suitings in this effect. There are plaids and chevron stripes running plaided, checked or striped, as fashion commands.
