# Plants

Early Jersey Wakefield Large Charleston Wakefield

rown here in Virginia in open field and Winter Hardened This is the eighth season I have grown Cabbage Plants for the trade. The stock is first-rate. Plants larger and plenty of them to insure a supply for all my trade which has increased several fold. Great care will be used in packing. Only strong plants will be

sent out and full count. Plants grown here in Virginia in open field and winter hardened are better for transplanting further North than plants grown in the warm climate of the Carolinas where spring weather is earlier, which makes the plants too early

and tender for northern use. While it takes three or four days to get them from the far South, shipped, or the following morning,
