Some interest is already developing in the primary election next year on account of the choosing of a United States Senator. He will be selected by the voters, under the primary election law passed by the last Legislature. There will be no candidate to oppose Senator Rayner in the city of Baltimore, the press of that city says. It is said that Congressman Talbott, of Baltimore county, and Senator Gorman, of Howard, will be candidates for the position.

The Scientific American states that about \$100,000,000 worth of farm machinery is made and sold each year in the United States. It is said that fully one-half of this goes into the hands of men who do not know how to select it wisely or to keep it in proper condition. The waste which results runs into millions of dollars annually.
