IT this opportune time, we desire to thank our friends and customers for the patronage given us during the past year we solicit its continuance with the assurance that we will endeavor to merit it in point of service, merchandise and value. . . .

As in the past, it will be our policy to sell the best merchandise for the least money, and this policy is the foundation of our large and ever-growing business.

Every HIGH ART SUIT we sold last year made us two friends: the man who wore it and the man who saw it---therefore, we expect to do twice the business we did last year, and we shall leave no stone unturned to maintain our reputation as the best and most popular clothing store in Denton.

And now a Happy New Year to our Friends and Customers. May You Live Long and Prosper!
